Received from 19178211113 at: 2016-05-12 15:33:37 Altho i think my app had previous info from other periods to predict me properly
Sent to 19178211113 at: 2016-05-12 15:35:05 If you are similar to me, I have a 28 day cycle and my period lasts 7 days from start to finish (very light the last two days).
Received from 18034141483 at: 2016-05-12 15:35:14 I ovulated somewhere on day 17-21

Received from 15182107185 at: 2016-05-12 20:19:40 I'm confident I'll get my dose for a while then
Received from 17038995561 at: 2016-05-12 20:20:57 So it's been a full week since we talked. And I thought from our last conversation that you were going to prioritize our friendship.
Sent to 18034141483 at: 2016-05-12 20:21:29 I have to be able to eat SOME seafood. I'd like at least 2-3 portions of shrimp and salmon a week
Sent to 17038995561 at: 2016-05-12 20:23:00 I'm pretty upset at how you exploded on me
Sent to 17038995561 at: 2016-05-12 20:23:09 I am really hurt Bc it feels like you don't care about me or my feelings. You hung up pretty abruptly during an emotional conversation which I understand was Bc you were at a dinner, but you never texted me or called me or anything. I thought maybe you were busy or needed time to think so I would give you space to figure out next steps, but given the silence for the past week, not even a text, it feels like you just don't care to put any effort into our relationship.
Received from 17038995561 at: 2016-05-12 20:24:06 I'm still trying to cool off about how you went off on me.
Received from 17038995561 at: 2016-05-12 20:24:17 Wait what? I never exploded. In fact the opposite happened. We talked about how unfair it is that I haven't been exploding and you keep saying I have which isn't fair at all. You even apologized for that and said you would make an effort to stop doing it
Sent to 17038995561 at: 2016-05-12 20:24:59 I was crying and I had feelings but I didn't explode. I didn't yell. I didn't call you names. I didn't make threats. I plainly told you my feelings.
Received from 17038995561 at: 2016-05-12 20:25:11 Andi, you called me rude and disgusting and sent tens of messages in quick succession
Received from 17038995561 at: 2016-05-12 20:25:26 You were rude.
Sent to 17038995561 at: 2016-05-12 20:25:46 And disgusting?
Received from 17038995561 at: 2016-05-12 20:25:49 I don't understand if you are rude what am I supposed to do? Just take it?
Sent to 17038995561 at: 2016-05-12 20:26:09 I did not call you disgusting
Sent to 17038995561 at: 2016-05-12 20:26:40 I said it was a disgusting notion that I have to confirm multiple times with you for you to respect and hold our plans. Which I still believe is
Received from 17038995561 at: 2016-05-12 20:27:13 If you think I'm such a shitty friend then don't talk to me
Sent to 17038995561 at: 2016-05-12 20:27:21 You are and have been pushing me away in such a serious way. You seem to WANT to have a reason to not be friends
Received from 17038995561 at: 2016-05-12 20:27:46 And your comment now just reenforces that
Sent to 17038995561 at: 2016-05-12 20:27:53 I can't deal with these emotional outbursts right now
Sent to 17038995561 at: 2016-05-12 20:28:01 This isn't an outburst
Sent to 17038995561 at: 2016-05-12 20:28:05 I'm calmly texting you

Received from 17038995561 at: 2016-05-12 20:28:26 What happened last week was an emotional outburst
Sent to 17038995561 at: 2016-05-12 20:28:29 If you couldn't deal right now you could have waited until a better time. That's why I texted and didn't just call
Sent to 17038995561 at: 2016-05-12 20:28:57 Laura your actions have consequences. You were rude to me. I had an emotional reaction.
Received from 17038995561 at: 2016-05-12 20:29:15 It's like you just point your finger at me and everything you say I'm doing wrong and refuse to take any accountability for our disfunction
Sent to 17038995561 at: 2016-05-12 20:29:39 First of all I am perfectly willing to take accountability for my disfunction
Sent to 17038995561 at: 2016-05-12 20:30:07 I haven't heard that at all, you just keep saying what I've done wrong.
Received from 17038995561 at: 2016-05-12 20:30:15 I am aware I am not perfect. But at least I am trying. And it feels like you aren't. Which is what is really hurting me. I can't make you want to try or care about us.
Sent to 17038995561 at: 2016-05-12 20:30:53 How are you trying by pointing fingers at me?
Sent to 17038995561 at: 2016-05-12 20:30:59 You aren't talking to me. I can't read your mind. And you haven't told me anything that I should do differently or that you need.
Received from 17038995561 at: 2016-05-12 20:31:22 I'm trying to start a conversation. It's not finger pointing
Sent to 17038995561 at: 2016-05-12 20:31:37 When i told you i was upset that you didn't talk to me with the breakup unless it was about YOU getting pregnant
Received from 17038995561 at: 2016-05-12 20:31:47 That's not true though!!
Sent to 17038995561 at: 2016-05-12 20:31:55 You said it was because i said you'd be happy about it ending
Received from 17038995561 at: 2016-05-12 20:32:04 I did try talking to you! You were so abrasive. I'm sorry I didn't give you what you needed.
Sent to 17038995561 at: 2016-05-12 20:32:26 I can't read your mind. I wish you would have said what you needed more clearly.
Sent to 17038995561 at: 2016-05-12 20:32:27 Thank you.
Received from 17038995561 at: 2016-05-12 20:33:10 I want to be a good friend. You should know that after all these years. But you are so hard to read sometimes. I didn't think you wanted to talk about it based on when I tried to talk to you
Sent to 17038995561 at: 2016-05-12 20:33:25 You have been emotional or abrasive to me in the past and still expected me to fight to be there for you
Received from 17038995561 at: 2016-05-12 20:33:39 It just hypocritical.
Sent to 17038995561 at: 2016-05-12 20:33:44 I know I have. But I tell you what I need
Sent to 17038995561 at: 2016-05-12 20:33:54 You always want space! I don't
Received from 17038995561 at: 2016-05-12 20:34:03 I thought I was giving you what you want.
Sent to 17038995561 at: 2016-05-12 20:34:09 Fair enough
Received from 17038995561 at: 2016-05-12 20:34:32 What i need is when you are upset with me to calm down then talk to me.
Received from 17038995561 at: 2016-05-12 20:34:43 Laura. I have been doing that.
Sent to 17038995561 at: 2016-05-12 20:35:00 Your knee jerk emotional explosions drive me away
Sent to 17038995561 at: 2016-05-12 20:35:05 It really hurts me that no matter how much I do that right you are so so combative and mean about the past
Sent to 17038995561 at: 2016-05-12 20:35:14 I'm just telling you what it feels like
Received from 17038995561 at: 2016-05-12 20:35:39 You exploded last week that was not the past
Received from 17038995561 at: 2016-05-12 20:35:41 Look I realize I have emotions. But I think it's unfair to nitpick at me.

Sent to 17038995561 at: 2016-05-12 20:35:51 That was not an explosion.
Received from 17038995561 at: 2016-05-12 20:35:52 It's not fucking nitpicking
Sent to 17038995561 at: 2016-05-12 20:36:04 You are the one cursing. So are you now exploding??
Received from 17038995561 at: 2016-05-12 20:36:28 Bc having emotions and exploding are two different things to me.
Received from 17038995561 at: 2016-05-12 20:36:28 No its the quick succession of texts saying how horrible i am
Sent to 17038995561 at: 2016-05-12 20:36:44 I was saying how HURT I am
Sent to 17038995561 at: 2016-05-12 20:36:47 Ok then i guess they're the same to me
Received from 17038995561 at: 2016-05-12 20:37:19 Yeah but there's a way to tell me that is productive. I just shut down when you come at me like that
Sent to 17038995561 at: 2016-05-12 20:37:22 So if you cursing isn't exploding what is? I don't understand. It honestly feels like you just can't take being told when you are doing something wrong. Which you did.
Sent to 17038995561 at: 2016-05-12 20:37:46 People tell me im doing something wrong all the time
Received from 17038995561 at: 2016-05-12 20:37:55 And that i hurt their feelings
Sent to 17038995561 at: 2016-05-12 20:38:04 Laura. Seriously. You keep everyone at arms length.
Received from 17038995561 at: 2016-05-12 20:38:16 There are only a few people you let in.
Received from 17038995561 at: 2016-05-12 20:38:39 And you've been pushing me away.
Sent to 17038995561 at: 2016-05-12 20:38:52 I don't really understand what youre trying to say
Received from 17038995561 at: 2016-05-12 20:38:59 I'm happy to continue discussing the break up or me getting upset. But this feels way bigger than that
Received from 17038995561 at: 2016-05-12 20:39:22 That's why I said nitpicking.
Sent to 17038995561 at: 2016-05-12 20:40:00 I'm not hiding anything, im just really emotionally drained the past few months
Sent to 17038995561 at: 2016-05-12 20:40:21 You cancelled on me in an extremely rude and thoughtless way. And now you're not speaking to me for a week Bc I had an emotional response?
Sent to 17038995561 at: 2016-05-12 20:40:37 One in which I did not call you names. Or yell. Or threaten.
Received from 17038995561 at: 2016-05-12 20:40:56 That seems a bit over the top
Sent to 17038995561 at: 2016-05-12 20:41:25 If I didn't text you today. When would you have even reached out? Never??
Sent to 17038995561 at: 2016-05-12 20:41:51 You realize you haven't reached out to me in like months?
Received from 17038995561 at: 2016-05-12 20:41:54 You're the only person who has extreme emotional reactions towards me. And because I'm really drained i just shut down
Sent to 17038995561 at: 2016-05-12 20:42:06 It's always me starting the conversations.
Sent to 17038995561 at: 2016-05-12 20:42:14 I haven't had extreme anything Laura.
Sent to 17038995561 at: 2016-05-12 20:42:24 They feel extreme to me
Sent to 17038995561 at: 2016-05-12 20:42:41 I have become less emotional.
Sent to 17038995561 at: 2016-05-12 20:42:48 But I will always be emotional.
Received from 17038995561 at: 2016-05-12 20:42:49 Im trying to tell you how i feel.
Sent to 17038995561 at: 2016-05-12 20:43:04 That's who I am. It feels like all of a sudden you don't like anything about me
Sent to 17038995561 at: 2016-05-12 20:43:14 And i will always shut down if you come at me that way
Received from 17038995561 at: 2016-05-12 20:43:26 Laura you called me and we

Received from 17038995561 at: 2016-05-12 20:44:01 And was really upset
Sent to 17038995561 at: 2016-05-12 20:44:06 And I am suppose to know that how

Received from 17038995561 at: 2016-05-12 20:49:45 In the meantime I need to know that when you are upset with me you will try to calm down before talking to me
Sent to 17038995561 at: 2016-05-12 20:49:59 Even if it's just a text saying I am hurt. I need space. I still love you.
Received from 17038995561 at: 2016-05-12 20:50:08 I can't read your mind.
Sent to 17038995561 at: 2016-05-12 20:51:14 As for me, I am constantly trying to be more calm. But you need to have realistic expectations that if you do something hurtful and I react by being hurt, that it isn't fair to get upset at me for having feelings.
Sent to 17038995561 at: 2016-05-12 20:51:26 I feel like I'm a glass 1/10th full and when you get emotional all over i spill the 10th and am thrown on a fire

Sent to 17038995561 at: 2016-05-12 20:52:25 But you realize if you're rude and I say you're rude that's the only word I can use
Sent to 17038995561 at: 2016-05-12 20:53:02 Ok if you back up and calm down and still want to say that then you should
Received from 17038995561 at: 2016-05-12 20:53:18 Do you understand what I'm asking?
Received from 17038995561 at: 2016-05-12 20:53:27 I honestly don't think anything will ever be calm enough for you
Sent to 17038995561 at: 2016-05-12 20:53:35 Because i understand what you're asking and I'm going to try to do it
Received from 17038995561 at: 2016-05-12 20:53:58 Maybe not but knowing you'll actually try might be enough
Sent to 17038995561 at: 2016-05-12 20:54:12 I am trying. I have been trying. I think that should be evident.
Received from 17038995561 at: 2016-05-12 20:55:03 I guess it is. I've been a bit blinded by my current depression
Received from 17038995561 at: 2016-05-12 20:55:11 I don't know what other points to implement other than what you've said which is don't call names, don't yell, don't threaten.
Sent to 17038995561 at: 2016-05-12 20:55:35 It's trying to calm down then talk to me.
Received from 17038995561 at: 2016-05-12 20:55:47 That's it.
Received from 17038995561 at: 2016-05-12 20:56:47 And i will really try to better communicate
Sent to 17038995561 at: 2016-05-12 20:56:54 Fine. I will try. But to be honest the issue in the recent situation was when I responded to your initial text, I was calm and not that upset. It was then when you responded again and were equally rude that's when I got really upset
Received from 17038995561 at: 2016-05-12 20:57:41 I will try to keep a more calm composure in general but if you say things that continue to upset me I can't just never have emotions.
Sent to 17038995561 at: 2016-05-12 20:57:44 Ok, well then would be the time to try to calm down..
Received from 17038995561 at: 2016-05-12 20:58:04 I understand that i just need you to TRY
Received from 17038995561 at: 2016-05-12 20:58:35 I don't know how to stop having emotions Laura.
Received from 17038995561 at: 2016-05-12 20:58:55 That is not what im asking....
Sent to 17038995561 at: 2016-05-12 20:59:12 If I'm really upset because you hurt me, am I supposed to not tell you?
Sent to 17038995561 at: 2016-05-12 20:59:24 If I wait and talk to someone else first, that causes me to get more worked up
Received from 17038995561 at: 2016-05-12 20:59:41 I feel like you're not reading anything I'm saying
Received from 17038995561 at: 2016-05-12 21:00:04 I am. You want me to try. And because I take that seriously I'm trying to figure out how to do that
Sent to 17038995561 at: 2016-05-12 21:00:15 Take like 30 minutes to calm down THEN tell me if you're still upset
Received from 17038995561 at: 2016-05-12 21:00:17 And how to show you I'm trying
Sent to 17038995561 at: 2016-05-12 21:01:12 Fine. If space in time will demonstrate that to you, I can do that. But just so you know time does not lessen my emotions. It can sometimes fuel them more.
Sent to 17038995561 at: 2016-05-12 21:01:35 I always try to control how I express them to you. But I cannot stop having them.

Received from 17038995561 at: 2016-05-12 21:02:22 We are adults can you seriously not have a calm conversation when you're upset?
Sent to 17038995561 at: 2016-05-12 21:02:39 I think we have different understandings of the word calm
Received from 17038995561 at: 2016-05-12 21:03:07 That's becoming very evident
Sent to 17038995561 at: 2016-05-12 21:03:29 Ok, next time you're emotional I'll just say i need space to process.
Sent to 17038995561 at: 2016-05-12 21:03:39 You are a robot. It's not fair to hold me to that standard. You made a choice to love me. You have always known who I am.
Sent to 17038995561 at: 2016-05-12 21:03:56 And you have always known who i am
Received from 17038995561 at: 2016-05-12 21:04:27 That doesn't mean we're always going to react the same way.
Sent to 17038995561 at: 2016-05-12 21:04:48 Conversely I know you are a robot and I have chosen to love you. I work thru our differences thru communication. Bc it's the only way I know how.
Received from 17038995561 at: 2016-05-12 21:05:11 You HAVE to communicate more.
Received from 17038995561 at: 2016-05-12 21:05:33 I don't care if it's you being mean or exploding or whatever. You can have a different set of rules.
Sent to 17038995561 at: 2016-05-12 21:05:33 I'm going to try
Received from 17038995561 at: 2016-05-12 21:05:52 There's good and bad to both our ways.
Received from 17038995561 at: 2016-05-12 21:06:06 I don't want to be mean
Sent to 17038995561 at: 2016-05-12 21:06:25 I'm just really sad
Sent to 17038995561 at: 2016-05-12 21:06:51 And I've also been sad we've been fighting
Sent to 17038995561 at: 2016-05-12 21:07:08 Exploding and being emotional as you call it means you are sharing information and you are moving the process along towards resolution. Albeit it can be hurtful but disagreements always are
Received from 17038995561 at: 2016-05-12 21:07:33 Space slows things down. Sometimes that's good. Sometimes it just chills the relationship.
Sent to 17038995561 at: 2016-05-12 21:07:44 And causes the pain to last longer than necessary.
Received from 17038995561 at: 2016-05-12 21:08:19 I can't communicate at your emotional bandwidth, i need the chill of space
Received from 17038995561 at: 2016-05-12 21:08:27 Totally valid.
Received from 17038995561 at: 2016-05-12 21:08:40 But I can't communicate with weeks in between
Sent to 17038995561 at: 2016-05-12 21:08:54 I understand
Sent to 17038995561 at: 2016-05-12 21:09:08 And if you want me to respect your space you have to restart the convo
Sent to 17038995561 at: 2016-05-12 21:09:09 I don't like when we fight and i miss you
Received from 17038995561 at: 2016-05-12 21:09:19 Bc I don't know when you are ready to resume
Sent to 17038995561 at: 2016-05-12 21:09:38 I just couldn't get there yet but im glad you pushed me this time
Sent to 17038995561 at: 2016-05-12 21:10:02 I will push sometimes. But that shouldn't be the default.
Received from 17038995561 at: 2016-05-12 21:10:25 You have to communicate more.
Sent to 17038995561 at: 2016-05-12 21:10:41 It's the only way I can understand how you are feeling
Received from 18034141483 at: 2016-05-12 21:11:35 I agree
Sent to 17038995561 at: 2016-05-12 21:12:12 And just so you know - when we aren't talking I am really sad Bc it hurts that you need that much space from me.
Received from 17038995561 at: 2016-05-12 21:12:54 I will communicate more
Sent to 17038995561 at: 2016-05-12 21:13:32 I try to respect it. Bc you've said you need it. But I hate it. Which is why I ask that you take the time that you

need but also understand my needs as well.

Sent to 17038995561 at: 2016-05-12 21:14:08 I understand and appreciate it.
Sent to 17038995561 at: 2016-05-12 21:14:49 I really feel insecure about our friendship right now.
Sent to 17038995561 at: 2016-05-12 21:15:19 I am trying to temper that with how you said you're going thru a depression.
Received from 17038995561 at: 2016-05-12 21:15:47 But I don't feel like you want to be friends lately.

Sent to 17038995561 at: 2016-05-12 21:17:28 Laura. I know you've been going thru a lot emotionally. But you've never shut me out like this before.
Sent to 17038995561 at: 2016-05-12 21:17:47 I've been weird as shit lately I've not just shut you out

Sent to 17038995561 at: 2016-05-12 21:18:04 This is the first time I have felt like if I let you that you might have ended our friendship.
Received from 17038995561 at: 2016-05-12 21:18:50 And I accept that you are saying it's not specific to me.
Received from 17038995561 at: 2016-05-12 21:19:28 But that's really worrisome. I care about your happiness more than just about everything else
Sent to 17038995561 at: 2016-05-12 21:19:31 I can't really imagine ending our friendship
Received from 17038995561 at: 2016-05-12 21:20:29 It's not healthy for you to put up this many walls.
Received from 17038995561 at: 2016-05-12 21:20:46 That would be like ending my sisterhood with arielle, its just not possible
Sent to 17038995561 at: 2016-05-12 21:21:05 I appreciate you saying so.
Sent to 17038995561 at: 2016-05-12 21:21:27 But we live one block away. We should be together more.

And on the one hand I was happy Bc you're so close and we are staying close. But then I got sad Bc it's like it doesn't even matter how close we are located to each other Bc we aren't talking or hanging out.
Received from 17038995561 at: 2016-05-12 21:27:34 And I'm going to be embarking on a hugely significant thing soon and I just am terrified that in doing so you are going to shut me out.

Sent to 19142603729 at: 2016-05-14 15:21:53 Bit farther than I wanted but closest one that could take her
Sent to 19142603729 at: 2016-05-14 15:22:05 We throw our shit in the car and walk to Jessica's with Chloe
Received from 19142603729 at: 2016-05-14 15:22:38 Say hello to bay and then go drive to screen the movie. Note: if we don't leave by 11:45 for a noon start than we aren't screening it

Sent to 19142603729 at: 2016-05-14 15:22:59 Do we drive or do they?
Sent to 19142603729 at: 2016-05-14 15:23:02 Jessica is going to lock her dogs up so Chloe should be fine
Sent to 19142603729 at: 2016-05-14 15:23:26 So then we drop Chloe for bath and head to brunch.

Sent to 19142603729 at: 2016-05-14 15:24:53 Then why drive
Received from 19142603729 at: 2016-05-14 15:25:21 We only drive if we go to the office. We aren't moving the car otherwise
Received from 19142603729 at: 2016-05-14 15:25:27 We have an easy spot and everything is walking distance. Why add another element of stress
Sent to 19142603729 at: 2016-05-14 15:25:32 We are walking to Baxter
Sent to 19142603729 at: 2016-05-14 15:25:34 Okay
Sent to 19142603729 at: 2016-05-14 15:25:51 But I do think we consider driving to brunch
Received from 19142603729 at: 2016-05-14 15:26:12 If we don't screen we have plenty of time to find a spot
Sent to 19142603729 at: 2016-05-14 15:26:22 And this way you can drop Chloe and then we park and all is leisurely
Received from 19142603729 at: 2016-05-14 15:26:38 Sure. We're for sure not screening
Sent to 19142603729 at: 2016-05-14 15:26:50 I tend to agree

Sent to 19142603729 at: 2016-05-14 15:27:04 But Jessica is still entertaining the notion. Which I will shut down
Sent to 19142603729 at: 2016-05-14 15:28:33 She has to be realistic. You cant spent time with Bay AND see the movie. Shes just pulling a Jess and not thinking/remembering/caring that we have a brunch.
Sent to 19142603729 at: 2016-05-14 15:28:48 I think Bay is more important personally

Received from 18034141483 at: 2016-05-17 17:29:54 Based on my ovulation
Received from 18034141483 at: 2016-05-17 17:30:03 My baby's due dates are always on the cusp
Received from 18034141483 at: 2016-05-17 17:30:27 So if I get pregnant next cycle, due date is March 19
Data Missing 18034141483 at: 2016-05-17 17:30:36 I think the prediction is based on your period tho
Data Missing 18034141483 at: 2016-05-17 17:30:45 Same difference.
Received from 18034141483 at: 2016-05-17 17:30:52 My due date would be the same
Sent to 18034141483 at: 2016-05-17 17:31:31 So the first day of your period
Sent to 18034141483 at: 2016-05-17 17:31:48 Is the first day of your due date
Sent to 18034141483 at: 2016-05-17 17:31:58 Not based on the calculator

Sent to 18034141483 at: 2016-05-17 17:32:18 The calculator I used online asked for the first day of my last period
Sent to 18034141483 at: 2016-05-17 17:32:23 http://www.babycenter.com/pregnancy-due-date-calculator
Received from 18034141483 at: 2016-05-17 17:32:40 Which was March 4
Received from 18034141483 at: 2016-05-17 17:32:55 Right, mine in this example would be June 12

Sent to 18034141483 at: 2016-05-17 17:33:01 which comes out to March 19
Received from 18034141483 at: 2016-05-17 17:33:26 Oh ok, I was staring if you start on May 30
Received from 18034141483 at: 2016-05-17 17:33:35 It would be in February
Sent to 18034141483 at: 2016-05-17 17:33:51 Right so in that case my due date would be

Sent to 18034141483 at: 2016-05-17 17:34:30 These are all like RIGHT on the cusp of zodiac signs

Received from 18034141483 at: 2016-05-17 17:37:40 Because the third attempt would be May 19
Sent to 18034141483 at: 2016-05-17 17:37:59 Which is REALLY close to our anniversary and also if its at all late its a gemini

Sent to 18034141483 at: 2016-05-17 17:43:14 Is like risk it by having sex a few days before ovulating
Received from 18034141483 at: 2016-05-17 17:43:24 but that also lowers chances of getting knocked up
Sent to 18034141483 at: 2016-05-17 17:43:35 which we just can’t do with this birthday month planning
Received from 18034141483 at: 2016-05-17 17:46:48 Yea I think it's more important to try hard for babies

Received from 18034141483 at: 2016-05-18 00:37:20 So it might be a hybrid of midwifery. Or I may actually do it

Received from 18034141483 at: 2016-05-18 01:20:32 They do everything an Obgyn does. Like you could go to them for birth control and Pap smears
Received from 18034141483 at: 2016-05-18 01:21:02 And they work in hospitals. So they work with doctors.

Received from 14128413731 at: 2016-05-18 16:07:06 I'm not attending either. I'm staffing the LTRC
Received from 18034141483 at: 2016-05-18 16:07:20 No worries.
Received from 18034141483 at: 2016-05-18 16:08:13 Midwives is just another option. I like them Bc they have a lot of experience and provide a more personalized service since nurses are the ones you typically interface with during labor
Received from 18034141483 at: 2016-05-18 16:09:00 So a midwife provides more involved medical experience during labor. More of a participant than an Obgyn. I don't know anything about DOs.
Sent to 18034141483 at: 2016-05-18 16:10:57 DOs aren't anything like midwifes, I'll have to look into that
Sent to 18034141483 at: 2016-05-18 16:17:18 If you were interested in going the midwives route, I would bet Lexington employs a team of them
Sent to 18034141483 at: 2016-05-18 16:19:01 I'm still not decided but definitely considering it. It is essentially the "crunchy" route to birth. Bc the midwives are all about using time tested natural methods
Sent to 18034141483 at: 2016-05-18 16:19:42 But that's not to say they won't give

you an epidural if you change your mind - they will. But the goal is natural.

Sent to 18034141483 at: 2016-05-18 16:22:06 Oh nice! There ya go
Received from 18034141483 at: 2016-05-18 16:25:00 Due to my surgery, there is a good chance I will be considered a high-risk pregnancy since we the competency of my cervix will be in question. And won't know until a baby is in there growing, weighing down on it. So my gut, stick with my DO since she performed the surgery and has been there since the beginning
Sent to 18034141483 at: 2016-05-18 16:25:20 Aren't sure* of the competency

Received from 18034141483 at: 2016-05-18 16:28:24 I hope not!
Received from 18034141483 at: 2016-05-18 16:28:37 I am in shock how much I'm considering midwives to be honest. But the philosophy is appealing. I reallllllly don't want a c section.

Sent to 19142603729 at: 2016-05-18 18:14:23 I was about to say that I think we should start off with agreeing to not have one. Then as the pregnancy goes on, we build our team knowing that it's gonna be tough and helping plan on how to handle it without an epidural. And finally, IF you/we choose to have one, then we should feel comfortable with the team enough to trust that they will manage it correctly.
Sent to 18059079815 at: 2016-05-18 18:14:37 Nope it didn't go through
Sent to 19142603729 at: 2016-05-18 18:14:49 basically, we will give it a 100% to go without one, but if at the end of the day we need one, we trust the people we're with enough to do it.
Sent to 19142603729 at: 2016-05-18 18:14:58 Right

Received from 19142603729 at: 2016-05-18 18:17:30 I was as well. I think the biggest hurdle is making sure I trust them and feel safe
Received from 19142603729 at: 2016-05-18 18:17:51 But I like the experience based approach. Versus the clinical diagnosis approach
Sent to 19142603729 at: 2016-05-18 18:21:48 I definitely agree with both statements. I think we'll get over that first hurdle when we start doing the "rounds" as they put it. We'll either find someone that we like more or feel affirmed that we've made the right decision.
Received from 19142603729 at: 2016-05-18 18:22:48 I definitely like the experience based approach, but I will say there is a clinical aspect to it. Yes, they aren't doctors, but I have to admit I was one of those people that wasn't as aware of the fact that they are quite trained and experts with medical backgrounds
Sent to 19142603729 at: 2016-05-18 18:23:42 Right of course. But I mean more like they view each case individually. Whereas doctors are more clinically driven
Received from 19142603729 at: 2016-05-18 18:23:54 Decision making style is different
Sent to 19142603729 at: 2016-05-18 18:24:23 ah, yes. Completely agree. That must because of the attention they give you. Something that no doctor, as much as they say they will, can give you

Received from 18034141483 at: 2016-05-19 19:10:04 The midwives' mantra is waiting 2 weeks past your due date. So 42 weeks. But I think most docs only make you wait 1 week

Sent to 18034141483 at: 2016-05-19 19:13:59 One lesson the midwives preach which I think is like the most important one (one in which I think you'll agree) is about how nutrition and exercise is the best prep for birth

Received from 18034141483 at: 2016-05-19 19:15:45 I'm hoping that doing all that jazz is like what makes child birth easier / less likely to have complication / run long etc

Received from 19178211113 at: 2016-05-20 01:15:10 For totally healthy normal people pregnancy occurs 1 out of 3 times

Sent to 19144509891 at: 2016-05-20 02:32:31 With James you were doing natural birth and then they made you take Pitocin or an epidural
Data Missing 19144509891 at: 2016-05-20 02:32:48 (We are watching the Business of Being Born)
Data Missing 19144509891 at: 2016-05-20 02:37:07 I wanted a natural birth but I was 8 days late which was the longest they'd let me go. So I had to get pitocin (natural kinda out the window at that point anyways). I tried for no epidural but pitocin is a hard drug. You go from no contractions to intense contractions without the natural build up. Mine lasted 2 minutes with 30 seconds in between, totally not natural!! I caved!
Received from 19144509891 at: Data Missing Got it got it
Sent to 19144509891 at: 2016-05-20 02:38:05 What about with Isabelle
Sent to 19144509891 at: 2016-05-20 02:40:10 With her I was 5 cms dilated (baby

comes at 10) and I was just walking around for days. I was pretty effaced (thinned out) but no contractions. Most likely I could have waited but ended up with pitocin later so I just decided to schedule my pitocin induction. This way I could guarantee my doc was there and arrange someone to watch James
Received from 19144509891 at: 2016-05-20 02:40:48 Got it
Data Missing 19144509891 at: 2016-05-20 02:40:53 That time I didn't wait for the epidural, I got it the second they got bad. Last time once I said yes, it took 90 minutes and it was awful.
Data Missing 19144509891 at: 2016-05-20 02:41:35 It still took a few hours but I could kinda feel it through the epi and said I wanted to push. Literally 2 pushes and there she was
Received from 19144509891 at: 2016-05-20 02:42:01 I also told them I wanted a lower epi dose
Sent to 19144509891 at: 2016-05-20 02:42:10 Got it

Received from 19144509891 at: 2016-05-20 02:49:57 It's all about childbirth and more specifically is very pro natural
Received from 19144509891 at: 2016-05-20 02:51:18 I was so pro natural, sometimes it just doesn't work. I thought I would be more upset about it because I had like 5 meetings with my mentor but..... I also didn't want to risk no progress and have a C
Sent to 19144509891 at: 2016-05-20 02:51:49 Yea see that's why I consider yours to be a success
Sent to 19144509891 at: 2016-05-20 02:52:02 The epi relaxed my body and James dropped over time, doc said he might not have with the epi

Received from 19144509891 at: 2016-05-20 02:53:11 I will say this, whatever has to happy has to happen. You can plan and tell everyone your plan (doc and nurses so they steer you that direction) but in the end, it just happens the way it does and it's all worth it
Sent to 19144509891 at: 2016-05-20 02:53:29 Oh for sure

Sent to 19144509891 at: 2016-05-20 02:54:04 I just don't like the idea of starting w an epidural just like that too. Since it increases the likelihood of c section.

Sent to 19142603729 at: 2016-05-20 20:02:22 I just unexpectedly surprised her with a treat and she is so deliberate in her thinking. She immediately snatches it, but then walks away and stares at it. Clearly thinking - do i want to eat this now or save it... and then starts munching, obviously choosing to eat it now.
Sent to 19142603729 at: 2016-05-20 20:05:25 Lol - one of my favorite things about working from home is witnessing her insanity. She'll all of a sudden wake up, stare at me then disappear. Only to walk back in five mins later with a treat. As soon as I make eye contact with her she'll stop and think, "should I bolt or is Dad gonna be cool about this??"
Received from 19142603729 at: 2016-05-20 20:10:28 She is so so silly

Received from 19178211113 at: 2016-05-22 18:29:21 I just have mixed feelings, would you bring a nanny or no? (Money aside)
Sent to 19178211113 at: 2016-05-22 18:29:30 I wouldn't bring bay.
Received from 19178211113 at: 2016-05-22 18:29:41 How come?
Received from 19178211113 at: 2016-05-22 18:29:55 It's important to have a vacation just the two of you once a year.
Sent to 19178211113 at: 2016-05-22 18:30:08 Mom and dad did it our whole lives.
Sent to 19178211113 at: 2016-05-22 18:30:25 They didn't start bringing kids on any trips until I was like 2 or 3
Received from 19178211113 at: 2016-05-22 18:30:40 But hawaii is known to be particularly family friendly
Sent to 19178211113 at: 2016-05-22 18:30:50 So if i was doing a no Bay vacay i would go elsewhere
Received from 19178211113 at: 2016-05-22 18:30:59 Maui is. Lanai is not.
Sent to 19178211113 at: 2016-05-22 18:31:14 That's why we avoided Maui. Overpopulated and hoards of families.
Sent to 19178211113 at: 2016-05-22 18:31:29 I know tons of friends who go with their fams to Big Island
Sent to 19178211113 at: 2016-05-22 18:31:41 And baby friendly Bc they have nanny services and babysitting and like places to drop your kid off to play
Received from 19178211113 at: 2016-05-22 18:32:11 Big island is as well. But I think you'll like the smaller islands more
Received from 19178211113 at: 2016-05-22 18:32:27 Big island is a lot of people.

Received from 19178211113 at: 2016-05-22 18:36:13 I added it to the list
Sent to 19178211113 at: 2016-05-22 18:36:25 I guess I meant more that from what I read there aren't as many families there. It's more romantic.
Sent to 19178211113 at: 2016-05-22 18:36:30 Gotcha
Sent to 19178211113 at: 2016-05-22 18:37:40 I guess I just think you should take a trip just you two. But if you take multiple trips then it might make sense to bring bay to Hawaii and go somewhere else with just you and him

Received from 19178211113 at: 2016-05-24 17:35:37 Yes but if you get really high quality you should be ok w/o it. But like i said if i have an issue then ill switch to one with the coating
Received from 19178211113 at: 2016-05-24 17:36:31 Yea so I'm not risking that Bc I want to take the same stuff once I'm pregnant

Data Missing 17036151722 at: 2016-05-26 22:13:09 Helleeew! I have an awkward favor/question to ask so if you're not down I totally understand. I'm not sure how you and your dad are these days and I'm gonna guess youre overloaded with requests to get in touch, but if it's do-able could you help me get in touch with or pass on an email to someone in your dads office?
Data Missing 17036151722 at: 2016-05-26 22:29:16 Sure what's your end goal?
Received from 17036151722 at: 2016-05-26 22:32:35 It's not an effort to help the campaign. My dad works for Lockheed Martin and they want to essentially let trumps transition team know that they're ready available and happy to provide info abt defense acquisition and sustainment. So to discuss policy. But they can't reach out to trumps team- the team would have to reach out to them. So I've got an email w info that would be amazing if passed on to the right people
Received from 17036151722 at: 2016-05-26 22:32:52 Again- if this is not your cup of tea totally forget I asked
Sent to 17036151722 at: 2016-05-26 22:33:00 I'm only asking bc it's my dad
Sent to 17036151722 at: 2016-05-26 23:20:33 I hear ya - it's not a problem, I just think it's probably a bit early
Received from 17036151722 at: 2016-05-26 23:21:34 But I can ask my mom who the right person would be to receive the email. I would imagine Rick Davis or Rick gates. But I'll find out and let you/them know
Sent to 17036151722 at: 2016-05-26 23:23:03 Thank you!! I really appreciate it. I think they want to get in front ahead of time instead of play catch up.

Sent to 18034141483 at: 2016-05-31 14:44:21 My parents want Patrick and I to go Portland with them this summer. It won't be cheap....but we should go right? These spontaneous trips will be harder to take once a baby is in the picture. Be responsible with money?? Or book it and don't look back???

Sent to 18034141483 at: 2016-05-31 14:46:59 Okay so - conclusion is definitely go
Received from 19142603729 at: 2016-05-31 14:47:41 I hate that you have to go through that. I'll try and keep finding things for us to look forward too. Even if small.
Received from 18034141483 at: 2016-05-31 14:48:41 Here are the reasons why: 1. You might not be able to go for a while once you do have a baby and even if you did it wouldn't be the same kind of experience 2. You don't need a ton of money upfront for having a child, so it's not irresponsible 3. Heaven forbid you did need money for children related expenses you KNOW your fam would want to cover those (but would not provide you airfare $ in the future)
Sent to 18034141483 at: 2016-05-31 14:49:09 4. You've been wanting to go to Portland and you'll regret it if you don't.
Sent to 18034141483 at: 2016-05-31 14:49:21 5. Be selfish. You deserve this.
Received from 19142603729 at: 2016-05-31 14:50:39 I appreciate that. But it's just something I have to endure.

Sent to 17033719696 at: 2016-05-31 15:36:34 I will be happy either way
Sent to 17033719696 at: 2016-05-31 15:36:44 I just can't do a pull out couch
Received from 17033719696 at: 2016-05-31 15:37:16 Well yeah. I don't think really anyone should have to do that. I think actual beds are important.
Received from 17033719696 at: 2016-05-31 15:37:35 So here's my thinking
Received from 17033719696 at: 2016-05-31 15:38:25 First step - get this excel up and running. Gauge who is coming when
Sent to 17033719696 at: 2016-05-31 15:38:48 When we circulate that excel we say that this can help with carpooling and if we decide to rent one or two homes.
Sent to 17033719696 at: 2016-05-31 15:39:40 We explain that the home we found (include the link) requires a few people to share bedrooms and someone has to take the couch bed
Sent to 17033719696 at: 2016-05-31 15:40:26 And then see what the group says. If people all want to share a home then so be it. If people are being intense about bedrooms we go to two homes
Received from 17033719696 at: 2016-05-31 15:40:39 Okay good idea.
Sent to 17033719696 at: 2016-05-31 15:40:45 I think everyone just will want a bed - the couch bed is the real shit of it
Sent to 17033719696 at: 2016-05-31 15:40:54 Yea..
Sent to 17033719696 at: 2016-05-31 15:40:56 Honestly I hope to appeal to Beth by discounting it
Sent to 17033719696 at: 2016-05-31 15:41:12 Yeah that's what I was thinking.
Sent to 17033719696 at: 2016-05-31 15:41:38 So may be you text her privately or call her or something

Received from 17033719696 at: 2016-05-31 15:41:45 Let me do the math real quick
Sent to 17033719696 at: 2016-05-31 15:43:44 Ok

Sent to 17033719696 at: 2016-05-31 15:49:35 This couch bed is literally right in the middle of the living room
Received from 17033719696 at: 2016-05-31 15:49:45 I don't think we can do this in good faith to anyone
Sent to 17033719696 at: 2016-05-31 15:49:59 Okay. I am looking for more rentals now.
Sent to 17033719696 at: 2016-05-31 15:50:08 Me too.
Received from 17033719696 at: 2016-05-31 15:54:16 The real shit of it is that by being in one house it actually costs more
Sent to 17178086846 at: 2016-05-31 15:55:12 Still good for 9 tomorrow at kinship?
Sent to 17033719696 at: 2016-05-31 15:55:15 Yea? Cost more? I thought it would be less. How do we go about looking for two houses right next to each other??
Sent to 17033719696 at: 2016-05-31 15:55:55 Well they cost more Bc the only houses that sleep 20 people are fucking huge and luxurious.
Received from 17033719696 at: 2016-05-31 15:56:05 The cheaper ones are already all reserved somehow
Sent to 17033719696 at: 2016-05-31 15:56:44 Yeah true. I found a couple but they are in murrells inlet. Which is a little bit further from the wedding. Only about ten minutes though
Sent to 17178086846 at: 2016-05-31 15:56:46 Def. that's so late though no?
Received from 17033719696 at: 2016-05-31 15:57:27 I don't mind paying but I have a feeling most people will.
Received from 17033719696 at: 2016-05-31 15:57:39 Yea..
Sent to 17033719696 at: 2016-05-31 15:58:36 I mean if we do the house we originally discussed
Sent to 17033719696 at: 2016-05-31 15:58:54 That's $266 a person. But one person gets totally and completely dicked.

Received from 17033719696 at: 2016-05-31 15:59:55 Which we could put a blow up mattress in
Sent to 17033719696 at: 2016-05-31 16:00:21 But that person should only have to pay $150. Max.
Sent to 17033719696 at: 2016-05-31 16:00:41 Everyone else pays 275 then.
Sent to 17033719696 at: 2016-05-31 16:00:52 Per a head
Received from 17033719696 at: 2016-05-31 16:01:25 Yeah. Well let's offer that up as an option. Or maybe approach Beth first, and see what she says. If she would be willing to be the sacrificial lamb.
Sent to 17033719696 at: 2016-05-31 16:01:48 I think it has to be Beth. Or else we can't in good conscience do this
Sent to 17033719696 at: 2016-05-31 16:02:34 We can take it down to $100
Sent to 17033719696 at: 2016-05-31 16:02:49 Yeah I think so. I think $150 is fair.
Sent to 17033719696 at: 2016-05-31 16:03:05 I punched the numbers. We can do it at $100.
Sent to 17033719696 at: 2016-05-31 16:03:13 Everyone else pays $276
Received from 17033719696 at: 2016-05-31 16:03:23 That's for 7 nights.
Sent to 17033719696 at: 2016-05-31 16:03:38 I mean that's amazing price. For 7 nights.
Sent to 17033719696 at: 2016-05-31 16:03:57 Agreed. Couples pay $552
Received from 17033719696 at: 2016-05-31 16:04:11 Let me check and see if there are any other 18 sleepers in a similar price range.
Sent to 17033719696 at: 2016-05-31 16:04:48 Okay. I'm still looking. Checking out some of the local real estate companies.

Sent to 17033719696 at: 2016-05-31 16:07:02 I found one other option.
Sent to 17033719696 at: 2016-05-31 16:07:18 Where basically we could put 3 people in a room
Received from 17033719696 at: 2016-05-31 16:08:13 I don't necessarily think it's better
Sent to 17033719696 at: 2016-05-31 16:08:22 And it's the same price
Sent to 17033719696 at: 2016-05-31 16:09:02 Well at least she could have some privacy. And a place to stash her shit.
Received from 17033719696 at: 2016-05-31 16:09:30 Right true. But then one couple has to sleep in twin beds
Sent to 17033719696 at: 2016-05-31 16:10:25 Well, I guess we just suggest the couple who is coming for the shortest amount of time.
Sent to 17033719696 at: 2016-05-31 16:10:59 Perhaps
Sent to 17033719696 at: 2016-05-31 16:11:14 But then there should be no discount
Sent to 17033719696 at: 2016-05-31 16:11:20 Bc 3 people are dicked
Received from 17033719696 at: 2016-05-31 16:11:39 Bc those 3 all share
Sent to 17033719696 at: 2016-05-31 16:11:45 Yea.
Received from 17033719696 at: 2016-05-31 16:12:00 Man why can't we just find a house to fit all of us!
Sent to 17033719696 at: 2016-05-31 16:12:25 20 is hard
Sent to 17033719696 at: 2016-05-31 16:12:57 Yeah had my fingers crossed on Paul and Nikki not joining.
Sent to 17033719696 at: 2016-05-31 16:14:37 Basically people have to either accept a subpar sleeping situation, pay more or split up
Sent to 17033719696 at: 2016-05-31 16:15:28 What if we found a house that comfortably sleeps 18. And we give Beth the option of an air mattress and free stay?
Received from 17033719696 at: 2016-05-31 16:15:35 I think the best option is the first house. And we ask Beth to fall on the sword in exchange for way less money
Received from 17033719696 at: 2016-05-31 16:15:47 The problem w the 18 sleepers is they have a lot of twin beds
Sent to 17033719696 at: 2016-05-31 16:16:12 The house that sleeps 20 is essentially the same thing - but it has no twin beds
Received from 17033719696 at: 2016-05-31 16:16:44 $100 is crazy cheap
Sent to 17033719696 at: 2016-05-31 16:16:51 Yeah it is.
Received from 17033719696 at: 2016-05-31 16:17:07 Well do you want me to approach her?
Sent to 17033719696 at: 2016-05-31 16:17:51 Do you mind?
Sent to 17033719696 at: 2016-05-31 16:18:00 Nope
Sent to 17033719696 at: 2016-05-31 16:18:07 I will send her an email
Sent to 17033719696 at: 2016-05-31 16:18:10 Bc frankly it's either this or splitting up
Received from 17033719696 at: 2016-05-31 16:18:21 Or should I text her?
Received from 17033719696 at: 2016-05-31 16:18:31 I am a texter personally
Sent to 17033719696 at: 2016-05-31 16:18:38 Okay
Received from 17033719696 at: 2016-05-31 16:18:39 But no wrong way
Received from 17033719696 at: 2016-05-31 16:19:32 Okay I'm gonna text her
Sent to 17033719696 at: 2016-05-31 16:19:39 Let you know what she says.
Received from 17033719696 at: 2016-05-31 16:19:47 K cool.
Sent to 18034141483 at: 2016-05-31 16:23:30 So we did the math - we are gonna offer the couch bed to Beth for $100
Received from 18034141483 at: 2016-05-31 16:23:39 Everyone else pays $275 per head
Sent to 18034141483 at: 2016-05-31 16:24:16 If that doesn't work then we have to split up into two houses.
Received from 18034141483 at: 2016-05-31 16:24:47 Ok. Meaning if people think that's too much per head?
Received from 18034141483 at: 2016-05-31 16:25:16 I don't think they will. that's

about as cheap as it gets before shit starts to get reallllllll gross
Sent to 18034141483 at: 2016-05-31 16:25:20 It's more Beth agreeing
Sent to 18034141483 at: 2016-05-31 16:25:28 Bc she won't have a real bed or room
Sent to 18034141483 at: 2016-05-31 16:25:40 Gotcha. Well it works for me
Sent to 18034141483 at: 2016-05-31 16:25:59 Same here. I just need a door and a bed.
Received from 18034141483 at: 2016-05-31 16:26:04 And thanks for fronting the money! That will make it easy
Sent to 17033719696 at: 2016-05-31 16:26:13 Beth says she will do it. She offered to take it before I even asked.
Sent to 18034141483 at: 2016-05-31 16:26:21 It's no problem. Happy to do it
Sent to 17033719696 at: 2016-05-31 16:26:31 Wait what! How did she do that!
Received from 18034141483 at: 2016-05-31 16:26:56 Beth is on board. So looks like we have ourselves a house!
Sent to 17033719696 at: 2016-05-31 16:26:59
Received from 18034141483 at: 2016-05-31 16:27:26 Sweet.
Received from 17033719696 at: 2016-05-31 16:27:47 She's a peach.
Sent to 18034141483 at: 2016-05-31 16:27:48 I was suggesting only girls, or one person per couple, for the organization email.
Sent to 18034141483 at: 2016-05-31 16:28:05 Yup agreed.
Sent to 18034141483 at: 2016-05-31 16:28:08 I hate when sooooo many people are on those chains, making it all sorts of confusing
Received from 18034141483 at: 2016-05-31 16:28:22 The original email was only one per a couple.
Received from 18034141483 at: 2016-05-31 16:28:33 Y'all are two steps ahead of me
Sent to 18034141483 at: 2016-05-31 16:28:39 The exception being Amanda added robert.
Received from 18034141483 at: 2016-05-31 16:28:45 But he is silent so that doesn't count
Sent to 17033719696 at: 2016-05-31 16:28:57 Yeah that was too easy.
Received from 18034141483 at: 2016-05-31 16:29:42 Well hopefully every body likes it!
Sent to 17033719696 at: 2016-05-31 16:30:17 So okay here's the deal - you email the group saying: this is the house. Take it or leave it. $275 a head. Beth volunteered for the couch bed. We need a verbal YES in the next 48 hours or else we lose the house, which I will front and people can pay me on a rolling basis.
Received from 17033719696 at: 2016-05-31 16:30:39 I will start the process with the house in the meantime.
Sent to 17033719696 at: 2016-05-31 16:30:45 Okay. Awesome.
Sent to 17033719696 at: 2016-05-31 16:30:51 Also the dates are Monday to Monday is that cool?
Received from 17033719696 at: 2016-05-31 16:31:04 You are nice to front the cost.
Received from 17033719696 at: 2016-05-31 16:31:15 Yeah that's fine with me.
Sent to 17033719696 at: 2016-05-31 16:31:55 I can toggle it up or down
Sent to 17033719696 at: 2016-05-31 16:32:21 But adding Sunday to Monday makes it $310 a person.
Received from 18034141483 at: 2016-05-31 16:32:51 If they don't they can eat a dick
Sent to 17033719696 at: 2016-05-31 16:33:09 Hmm. I think Monday to Monday works, since people will have that following Monday off. And if they don't then, they will leave Sunday.
Received from 17033719696 at: 2016-05-31 16:33:20 That's what I figured.
Received from 17033719696 at: 2016-05-31 16:33:45 Okay. So I will email the house people. You email the group.
Sent to 17033719696 at: 2016-05-31 16:33:52 Got it.
Sent to 17033719696 at: 2016-05-31 16:34:56 Just make sure people know the dates and the cost. And that they have a bed. We can sort out the carpooling and bedroom details later on.

Sent to 17033719696 at: 2016-05-31 16:35:17 Okay will do.
Received from 18034141483 at: 2016-05-31 16:35:55 Yea!

Received from 18034141483 at: 2016-05-31 16:44:22 Which I think is clear from the looks of it
Data Missing 18034141483 at: 2016-05-31 16:45:25 If we were willing to pay $375 each we could get a way snazzier place with a pool. Or if we wanted to pay $175 each then we could be in the swamplands with stains on the sheets
Data Missing 18034141483 at: 2016-05-31 16:45:37 That was what I found basically
Received from 18034141483 at: 2016-05-31 16:45:54 This one doesn't have a pool right?
Sent to 18034141483 at: 2016-05-31 16:45:59 But access to a clubhouse

Sent to 18034141483 at: 2016-05-31 16:46:11 But private beach access
Sent to 18034141483 at: 2016-05-31 16:47:42 I think beach access is most important
Received from 18034141483 at: 2016-05-31 16:47:58 But i will def be going to the pool
Received from 18034141483 at: 2016-05-31 16:48:02 Yea I don't really understand how it has beach access but apparently it doe

Sent to 19142603729 at: 2016-06-01 22:47:21 I just dropped in the mail. Legally we have just complied. See the mailbox rule
Received from 19142603729 at: 2016-06-01 22:47:27 The posting rule (or mailbox rule in the United States, also known as the "postal rule" or "deposited acceptance rule") is an exception to the general rule of contract law in common law countries that acceptance of an offer takes place when communicated.
Received from 19142603729 at: 2016-06-01 22:47:42 Fun fact.
Sent to 19142603729 at: 2016-06-01 22:48:33 In plain English, the "meeting of the minds" necessary to contract formation occurs at the exact moment word of acceptance is sent via post by the person accepting it, rather than when that acceptance is received by the person who offered the contract.

Sent to 18034141483 at: 2016-06-03 19:35:17 Well so - my mom explained this to me
Received from 18034141483 at: 2016-06-03 19:35:28 Our pelvis is going to open up
Sent to 18034141483 at: 2016-06-03 19:35:33 so our hips will be super wide
Received from 18034141483 at: 2016-06-03 19:35:43 but it is like our bone structure, not like being fat
Received from 18034141483 at: 2016-06-03 19:36:01 So it just takes time for your body to change back
Received from 18034141483 at: 2016-06-03 19:36:23 My mom said she was her pre-pregnancy weight and her jeans still didn’t fit, bc her hips were still “open”

Sent to 18034141483 at: 2016-06-03 19:38:50 I think one of the reasons why kenz was SO big at the end, like her belly jutting outward, is because she has small hips
Sent to 18034141483 at: 2016-06-03 19:39:13 Not to say we won’t be big, but more than we have bodies that can carry the weight in a more balanced way

Received from 19178211113 at: 2016-06-04 21:32:03 Natural triglyercide oil. This is what you get when you “squeeze” the whole fish and extract the natural oil from it. It is the closest to eating fish oil in its natural form, and is highly bioavailable. The drawback of this form is that, because it’s not concentrated, it usually has low levels of EPA and DHA. And because it isn’t purified, it can have high levels of contaminants such as heavy metals, PCBs, and dioxins. Ethyl ester oil. Occurs when natural triglyceride oil is concentrated and molecularly distilled to remove impurities. The ester form is still in a semi-natural state because it is the result of a process that naturally occurs in the body. The advantage to this form is that it can double or triple the levels of EPA and DHA.
Received from 19178211113 at: 2016-06-04 21:32:11 And - http://mikemutzel.com/the-end-of-the-triglyceride-vs-ethyl-ester-debate/
Sent to 19178211113 at: 2016-06-04 21:34:45 And “Currently, no distinctions or labeling is required for natural triglycerides vs. re-esterified triglycerides, and companies generally refer to both forms as ‘natural’.”
Received from 18034141483 at: 2016-06-04 23:00:54 So I just did a bunch of research on my fish oil pills and made a switch to this one:

Received from 18034141483 at: 2016-06-05 17:21:32 Iodine is different than DHA
Received from 18034141483 at: 2016-06-05 17:22:06 It's just one of those basic essentials. Most prenatals contain it. I don't know why best nest didn't originally.
Sent to 18034141483 at: 2016-06-05 17:23:01 I think I'm gonna switch to the garden of life Raw prenatal. I've just read sooooo many good things about it. Here is the regimen my sister does / recs:

Sent to 18034141483 at: 2016-06-05 17:24:20 But I need the calcium Bc my fam has a history of osteoporosis. You may only need omega and multi.
Sent to 18034141483 at: 2016-06-05 17:33:12 I'm also putting Chris on a multi vitamin and the same omega 3 and making him take a probiotic (he has stomach issues).
Sent to 19178211113 at: 2016-06-05 17:33:28 Why do you take the extra b12
Sent to 19178211113 at: 2016-06-05 17:35:34 I like more than the prenatal has
Sent to 19178211113 at: 2016-06-05 17:35:46 Why?

Sent to 19178211113 at: 2016-06-05 17:36:29 How much does my prenatal have of B12
Received from 19178211113 at: 2016-06-05 17:39:24 The body also absorbs B-12 best thru sublingual
Sent to 19178211113 at: 2016-06-05 17:39:27 Otherwise it mostly passes thru
Received from 19178211113 at: 2016-06-05 17:39:52 Let me check

Received from 18034141483 at: 2016-06-05 17:42:14 The omega 3?
Received from 18034141483 at: 2016-06-05 17:42:16 The omega 3 is DHA
Received from 18034141483 at: 2016-06-05 17:43:15 The omega 3 is DHA
Received from 19178211113 at: 2016-06-05 17:46:51 vitamin b12 is 100% of daily value - 6 mcg
Sent to 19178211113 at: 2016-06-05 17:47:08 Also - does your calcium supplement have magnesium in it?
Received from 19178211113 at: 2016-06-05 17:47:24 Yes
Received from 19178211113 at: 2016-06-05 17:47:43 K - I am def getting that bc we are osteoporosis prone
Sent to 18034141483 at: 2016-06-05 17:47:50 Ok. So I'm taking DHA, and will buy the prenatal with iodine.
Sent to 19178211113 at: 2016-06-05 17:47:51 I think the reason that i take B12 is bc its almost impossible for the body to absorb it thru stomach
Sent to 18034141483 at: 2016-06-05 17:47:59 I don't need extra probiotics
Sent to 18034141483 at: 2016-06-05 17:48:16 Prenatals take care of that plenty
Received from 18034141483 at: 2016-06-05 17:48:24 For me at least
Sent to 18034141483 at: 2016-06-05 17:48:40 Right yea I think I am fine too. I am going to take the multi, the DHA and a calcium supp too
Received from 18034141483 at: 2016-06-05 17:49:23 My doc stressed the importance of calcium - in general and also esp for me bc of the history of osteoporosis in my fam.

Sent to 19142603729 at: 2016-06-07 20:02:20 Question- say I don't have coffee one day- can I have a soda?
Sent to 19142603729 at: 2016-06-07 20:02:51 Well some are caffeine free! And I thought I could have one every once and awhile
Sent to 19142603729 at: 2016-06-07 20:03:30 I'll just store the red bull until you are safely creating our little alien
Received from 19142603729 at: 2016-06-07 20:03:38 You have to stay south of 300 mg
Received from 19142603729 at: 2016-06-07 20:03:54 Soda has about 50mg per 12 oz
Sent to 19142603729 at: 2016-06-07 20:04:19 Okay. So I can have one if I dont have coffee.
Received from 19142603729 at: 2016-06-07 20:04:29 I just wanted to know my parameters
Received from 19142603729 at: 2016-06-07 20:05:14 Espresso is about 75 mg per a shot
Received from 19142603729 at: 2016-06-07 20:06:10 100mg in 6 oz cup of drip coffee
Sent to 19142603729 at: 2016-06-07 20:06:48 So if you have 2 shots of espresso in the morning that's 150 mg. So you can have a soda as well but that's it
Sent to 19142603729 at: 2016-06-07 20:07:02 Bc then you around 200 mg
Received from 18034141483 at: 2016-06-07 20:07:34 He can still take adderall!!
Received from 18034141483 at: 2016-06-07 20:08:02 But caffeine is THE worst. Chris is limited to two shots of espresso and one soda. That's it. (That's around 200-250 mgs)
Sent to 18034141483 at: 2016-06-07 20:08:17 I don't think Patrick really drinks caffeine
Sent to 18034141483 at: 2016-06-07 20:08:23 So you're fine then
Sent to 18034141483 at: 2016-06-07 20:08:26 Adderall is his caffeine
Sent to 18034141483 at: 2016-06-07 20:08:31 Chris does both
Sent to 18034141483 at: 2016-06-07 20:09:01 I'm going to make it more general - Need you to clean up your diet and go to the gym

Sent to 19142603729 at: 2016-06-07 20:09:55 Okay. I’m understanding the proportions now. I’ll keep it around 150. Eventually I’ll try to get it down to one shot of espresso a day.
Received from 18034141483 at: 2016-06-07 20:10:20 Cut back the drinking to necessary work events and social interactions on the weekends
Sent to 19142603729 at: 2016-06-07 20:10:24 Best advice is to stay away from drip coffee as it can vary and be suuuuper high in caffeine.
Received from 18034141483 at: 2016-06-07 20:11:00 (Which will naturally be limited bc I'm not planning as much)

Received from 18034141483 at: 2016-06-08 14:01:34 What'd you discuss
Received from 18034141483 at: 2016-06-08 14:03:23 It was helpful. He was very open and honest about how he felt. Essentially about how we've always talked about just having fun with it this summer, and seeing what happens. And how he sees me already getting wrapped up and stressed about it. Which stresses him out
Received from 18034141483 at: 2016-06-08 14:04:09 So the compromise it to take a step back and make it more relaxed at least for the next several months. See how it goes, adjust if need be
Received from 18034141483 at: 2016-06-08 14:10:42 A baby is still the plan. Just more of a relaxed "see what happens"

Received from 18034141483 at: 2016-06-08 14:20:27 I guess the toughest part is the balance
Received from 18034141483 at: 2016-06-08 14:20:48 Bc on the one hand if you do get pregnant you want to make sure your body is prepped and your making a healthy baby
Sent to 18034141483 at: 2016-06-08 14:21:06 But on the other hand if you don't get pregnant right away you don't want to drive yourself crazy
Sent to 18034141483 at: 2016-06-08 14:21:44 I guess for me - the first try I am taking very seriously. And if it doesn't "stick" then I will likely loosen up.
Received from 18034141483 at: 2016-06-08 14:22:58 I honestly think the prep were doing now is more than most women do.

Sent to 18034141483 at: 2016-06-08 14:24:31 But if it's stressing you / Patrick out then don't do it!
Sent to 18034141483 at: 2016-06-08 14:25:08 We're striving for a healthy balance of each school of thinking
Received from 18034141483 at: 2016-06-08 14:25:53 This is something out of our control in many many ways. And I hate that feeling - so I'm trying to do everything I can that I can control. It's a coping mechanism
Sent to 18034141483 at: 2016-06-08 14:26:18 I get that! And I think it is definitely helping you

Sent to 17033719696 at: 2016-06-08 19:15:38 But a dangerous one too
Received from 17033719696 at: 2016-06-08 19:17:49 Haha I'm just saying it's better than driving a car
Received from 17033719696 at: 2016-06-08 19:18:19 True.

Received from 17033719696 at: 2016-06-08 19:22:53 Wonder if you can drive it on that road
Sent to 17033719696 at: 2016-06-08 19:23:15 Wait hold on it auto corrected the address
Received from 17033719696 at: 2016-06-08 19:23:23 Okay

Received from 17033719696 at: 2016-06-08 19:25:01 It keeps auto correcting. The address on the rental agreement says litchfield beach, but when you search the address it says pawley's island
Sent to 17033719696 at: 2016-06-08 19:25:16 So it's either 4.5 or 5.5
Received from 17033719696 at: 2016-06-08 19:25:17 I'm sure that doesn't matter
Received from 17033719696 at: 2016-06-08 19:25:21 Oh. Hmm
Sent to 17033719696 at: 2016-06-08 19:25:32 Well that would be 20-30 mins on a golf cart regardless.

Received from 17033719696 at: 2016-06-08 19:25:51 But def won't be allowed on a highway
Received from 17033719696 at: 2016-06-08 19:25:51 Only 12 mph?

Sent to 19142603729 at: 2016-06-08 21:27:53 an FYI update: 1) We were charged half of the rental and I already paid it. Thus we have room for the remainder 2) I researched the cards and as suspected Chase Sapphire is best because of the rewards and offered us the lowest rate. We have a 30K credit and our cards will be arriving in 7-10 days. 3) Flights to New Orleans are booked. The times you sent me 4) Casey is coming on Friday morning to discuss bathroom and a few other small things

Sent to 18034141483 at: 2016-06-10 23:04:29 Totally agree
Received from 18034141483 at: 2016-06-10 23:07:35 I really wouldn't worry about the drinking thing. I just talked to another friend who just recently had a baby
Received from 18034141483 at: 2016-06-10 23:07:36 And she was nervous Bc she was on vacation when she got pregnant and so she had been drinking. And her doc said that the drinking thing is kind of a binary issue - it more affects like your ability to sustain the pregnancy
Sent to 18034141483 at: 2016-06-10 23:08:44 So I guess either pregnancy takes or it doesn't. And if it takes then you don't have to be concerned ab the alcohol

Received from 18034141483 at: 2016-06-13 16:28:39 I'm feeling ready. And like most things I do, I'm ready to check it off the list
Received from 18034141483 at: 2016-06-13 16:29:05 But it's not like that for Patrick. We're on the same page about wanting them, but we move at different paces
Received from 18034141483 at: 2016-06-13 16:30:48 Yea I think Chris may be similar
Received from 18034141483 at: 2016-06-13 16:31:06 He's def nervous
Sent to 18034141483 at: 2016-06-13 16:32:36 I think they will get more excited once we are knocked up
Sent to 18034141483 at: 2016-06-13 16:34:43 I underestimated the amount of emotions to be felt when it actually came down to it. Clearly, were not like Kenz and Dex
Received from 18034141483 at: 2016-06-13 16:35:03 She explains it that they just had a sex filled weekend, no problems and bam there was a pregnancy
Received from 18034141483 at: 2016-06-13 16:35:26 I also agree that when there is a pregnancy it will be exciting
Sent to 18034141483 at: 2016-06-13 16:37:35 And I hope for your sake it will like Kenz and Dex!

Received from 18034141483 at: 2016-06-13 17:12:31 Plus I don't think they are as active as we are socially
Received from 18034141483 at: 2016-06-13 17:12:55 All true

Sent to 18034141483 at: 2016-06-13 17:14:02 I think we just have to be more organized about timing of sex
Sent to 18034141483 at: 2016-06-13 17:14:40 Ps did you know bailey went back on birth control?
Sent to 18034141483 at: 2016-06-13 17:14:58 She's going off now. But I was surprised to learn she was on it again
Received from 18034141483 at: 2016-06-13 17:15:06 I did not know that
Sent to 18034141483 at: 2016-06-13 17:16:05 I mean kinda makes sense. If they were really wanting to wait awhile, it's an easy way to prevent it
Sent to 18034141483 at: 2016-06-13 17:16:25 Yes of course. But I think it's because the miscarriage thing really fucked with her head
Sent to 18034141483 at: 2016-06-13 17:16:42 She was talking a lot about how many miscarriages she could handle before giving up
Sent to 18034141483 at: 2016-06-13 17:16:59 And I was like whoa dude I think you're getting nervous about something unnecessarily.
Sent to 18034141483 at: 2016-06-13 17:17:27 Plus I get the feeling a BIG part of the miscarriage was about how Ron handled it. Or didn't.
Received from 18034141483 at: 2016-06-13 17:18:09 I think the Ron part is probably right
Received from 18034141483 at: 2016-06-13 17:19:17 Who knows tho. Guys are all so different with this stuff.
Sent to 18034141483 at: 2016-06-13 17:19:57 I hope she just doesn't have to deal with that ever again
Sent to 18034141483 at: 2016-06-13 17:20:12 No she said he refuses to talk about anything re babies or pregnancy. He just nods.
Sent to 18034141483 at: 2016-06-13 17:20:28 It's never a conversation. It's just a monologue.

Sent to 18034141483 at: 2016-06-13 17:20:31 She said.
Received from 18034141483 at: 2016-06-13 17:20:44 Does he want them??
Received from 18034141483 at: 2016-06-13 17:20:54 I think so
Received from 18034141483 at: 2016-06-13 17:21:02 I mean clearly he was cumming inside her, So he played a part
Sent to 18034141483 at: 2016-06-13 17:21:07 Right
Sent to 18034141483 at: 2016-06-13 17:21:13 I think Ron just isn't a talker.
Sent to 18034141483 at: 2016-06-13 17:21:14 So he just shut down after?
Received from 18034141483 at: 2016-06-13 17:21:26 Which I think is hard for bailey when shit gets tough
Sent to 18034141483 at: 2016-06-13 17:21:51 Well I will say that Patrick is lucky I have you to talk to about all this. He would most certainly not be engaged for alllll of our talks
Received from 18034141483 at: 2016-06-13 17:22:03 Well yea Chris is the same
Sent to 18034141483 at: 2016-06-13 17:22:03 And it sounds like she didn't have anyone else to talk to when it was going on
Sent to 18034141483 at: 2016-06-13 17:22:16 But it seems Ron isn't talking at all
Received from 18034141483 at: 2016-06-13 17:22:26 Like she forced him to talk baby names and that was a whole to do. H
Sent to 18034141483 at: 2016-06-13 17:22:32 He just kept vetoing everything.
Received from 18034141483 at: 2016-06-13 17:22:48 And not offering
Sent to 18034141483 at: 2016-06-13 17:24:53 I'm thankful for a husband that understands give and take. We don't see eye to eye on all this stuff. But he entertains my "what if" convos just like I do his practicality.
Received from 18034141483 at: 2016-06-13 17:25:02 Ron needs to stop being selfish
Sent to 18034141483 at: 2016-06-13 17:25:17 IMHO
Sent to 18034141483 at: 2016-06-13 17:25:23 Right. In all fairness I'm not sure of the objective truth. This is all told thru the filter of Bailey
Sent to 18034141483 at: 2016-06-13 17:25:47 Of course. But I'm not surprised by any of it
Sent to 18034141483 at: 2016-06-13 17:25:55 Ron and I have had some real talks about babies
Received from 18034141483 at: 2016-06-13 17:25:58 What it sounds like to me is Ron needs to speak up and say something
Received from 18034141483 at: 2016-06-13 17:26:04 And he always seemed hesitant
Received from 18034141483 at: 2016-06-13 17:26:11 Right. Agreed.
Sent to 18034141483 at: 2016-06-13 17:26:16 But who the hell ISNT
Received from 18034141483 at: 2016-06-13 17:26:20 Like get over it Ron. Exactly
Received from 18034141483 at: 2016-06-13 17:26:29 Families happen, not everyone has to be super pumped
Sent to 18034141483 at: 2016-06-13 17:26:31 He was also this way about getting a dog
Received from 18034141483 at: 2016-06-13 17:26:34 But you can ruin the entire experience
Sent to 18034141483 at: 2016-06-13 17:26:43 Cant*
Sent to 18034141483 at: 2016-06-13 17:26:46 And then Bailey went out and bought a dog as a surprise
Received from 18034141483 at: 2016-06-13 17:26:57 Ron was pissed and now loves rookie.
Received from 18034141483 at: 2016-06-13 17:27:16 I guess I just feel lucky to have a communicative husband
Sent to 18034141483 at: 2016-06-13 17:27:48 You should be! That's an amazing quality to have
Received from 18034141483 at: 2016-06-13 17:27:57 Especially when shit gets real
Received from 18034141483 at: 2016-06-13 17:28:05 I mean he sucks at communicating hahah but he tries
Sent to 18034141483 at: 2016-06-13 17:28:13 Patrick is somewhere in the middle, so I get where Bailey is coming from

Sent to 18034141483 at: 2016-06-13 17:28:58 When Patrick is stressed, which is often, he's a complete introvert. Doesn't let me in, and it comes off as dickish
Sent to 18034141483 at: 2016-06-13 17:29:15 Right. That's tough
Received from 18034141483 at: 2016-06-13 17:29:22 Which is why I have to tred light on baby stuff bc I can't have that happening over this
Received from 18034141483 at: 2016-06-13 17:29:29 I'm far too emotional about it all
Sent to 18034141483 at: Data Missing Yup of course
Sent to 18034141483 at: 2016-06-13 17:30:16 Is it that way with Chris? I feel like he's just too nice of a person for that to be the case
Received from 18034141483 at: 2016-06-13 17:39:40 So Chris is pretty good. He doesn't often volunteer stuff but once I get the topic going he will be open. His biggest issue is he doesn't bring stuff up when he should
Received from 18034141483 at: 2016-06-13 17:40:12 So I feel like a nag constantly checking in. But it's the only way to be sure.
Data Missing 18034141483 at: 2016-06-13 17:40:57 But Chris has had some weird nightmares recently about baby stuff and he shares those w me and that has been helping create a dialogue.
Data Missing 18034141483 at: 2016-06-13 17:41:24 I also constantly say things very casually as a reminder and I think that helps.
Received from 18034141483 at: 2016-06-13 17:42:52 Like I will always say stuff when we are planning future things like oh well I could be pregnant then. Or like we wanted to watch the dinosaur story movie but it was only available for purchase and not rent so I was like eh let's buy it, good investment for a kid down the line.
Received from 18034141483 at: 2016-06-13 17:43:15 Haha that's too cute
Sent to 18034141483 at: 2016-06-13 17:43:24 I do that too. It's hard not to!
Sent to 18034141483 at: 2016-06-13 17:43:35 It makes light of the situation and also makes it an open conversation
Sent to 18034141483 at: 2016-06-13 17:43:57 And I think prepares them that this is happening. Instead of like keeping it a secret
Sent to 18034141483 at: 2016-06-13 17:45:33 I should add I think it helps that Chris is a younger sibling. The fact that his sister has gone thru all this I think has helped prep him
Sent to 18034141483 at: 2016-06-13 17:59:08 Good point. Both our siblings didn't do it correctly at allllll
Received from 18034141483 at: 2016-06-13 17:59:12 They were just surprised with it

Sent to 18034141483 at: 2016-06-14 17:51:29 Like what is your BIGGEST fear?
Received from 18034141483 at: 2016-06-14 17:51:40 I don't even know!
Sent to 18034141483 at: 2016-06-14 17:51:49 Well I can't reassure you then haha
Sent to 18034141483 at: 2016-06-14 17:52:05 So if I ovulate on Tuesday. And had sex Friday and Monday, I wonder which time is more likely to get you knocked up
Sent to 18034141483 at: 2016-06-14 17:52:30 Well so if you ovulate on Tuesday - Monday's sperm
Sent to 18034141483 at: 2016-06-14 17:52:47 But I bet you ovulated on Saturday or even Sunday dude
Sent to 18034141483 at: 2016-06-14 17:53:04 I asked my Obgyn about how those tests work - they are super accurate
Received from 18034141483 at: 2016-06-14 17:53:10 But i didn't have sec Saturday or Sunday
Sent to 18034141483 at: 2016-06-14 17:53:31 Well the test said when you get the smiley face, it typically happens within two days
Received from 18034141483 at: 2016-06-14 17:53:44 Right so Tuesday is 3 days
Sent to 18034141483 at: 2016-06-14 17:53:48 Yea hm
Sent to 18034141483 at: 2016-06-14 17:54:06 If I ovulated Monday, could Friday still be in time? I wonder
Sent to 18034141483 at: 2016-06-14 17:54:37 Just in case you don't know - I will explain. The test detects an LH surge which is the chemical / hormone your body

releases to signal to your ovary to release the egg
Received from 18034141483 at: 2016-06-14 17:55:11 So your body is told to release it could do so quickly or take its time
Received from 18034141483 at: 2016-06-14 17:55:49 If it did so immediately on Saturday - that Friday sperm was right on the money (they live for 72 hours)
Sent to 18034141483 at: 2016-06-14 17:56:13 If it released late Sunday or sometime on Monday - the Monday sperm could have snuck in there.
Received from 18034141483 at: 2016-06-14 17:56:33 But that's why they say have sex every other day - Bc then there is always sperm chilling
Received from 18034141483 at: 2016-06-14 17:57:31 If you ovulated early Sunday then Friday sperm might not cut it
Sent to 18034141483 at: 2016-06-14 17:57:44 If you ovulate Monday morning, is Monday night sex too late?
Sent to 18034141483 at: 2016-06-14 17:57:49 No way
Sent to 18034141483 at: 2016-06-14 17:57:57 Egg is viable for 12-24 hours
Sent to 18034141483 at: 2016-06-14 17:58:13 I want to know what is going inside my body
Sent to 18034141483 at: 2016-06-14 17:58:15 Right now!
Sent to 18034141483 at: 2016-06-14 17:58:22 Going on
Received from 18034141483 at: 2016-06-14 17:58:32 Yes well
Sent to 18034141483 at: 2016-06-14 17:58:47 You probably aren't pregnant. Unless you ovulated on Saturday.
Sent to 18034141483 at: 2016-06-14 17:58:55 Or Monday
Received from 18034141483 at: 2016-06-14 17:59:31 I think you should chalk this one up to a practice test
Received from 18034141483 at: 2016-06-14 18:00:15 But I secretly hope you're knocked up
Received from 18034141483 at: 2016-06-14 18:01:40 Haha
Sent to 18034141483 at: 2016-06-14 18:01:47 It would be so nice for it to happen that easy
Sent to 18034141483 at: 2016-06-14 18:01:59 But I'm with you. This was a definite practice round
Sent to 18034141483 at: 2016-06-14 18:07:55 It will be easy regardless. That's my feeling.

Received from 18034141483 at: 2016-06-15 14:43:13 So this is my first stab at it. I like/hate it
Sent to 18034141483 at: 2016-06-15 14:43:44 Sometimes it feels "too by the book" if there was a textbook written about restaurant terminology and personalities

Received from 18034141483 at: 2016-06-15 14:44:33 Prob how you would feel if someone wrote about a law firm
Received from 18034141483 at: 2016-06-15 14:44:59 Yes - I only like law books that are written by previous lawyers (basically just Grisham)
Sent to 18034141483 at: 2016-06-15 14:45:15 I can't explain it. I just caught myself eye rolling a couple times in the first 50 pages.
Received from 18034141483 at: 2016-06-15 14:45:32 I like where it's heading so it's not like I hate it

Sent to 18034141483 at: 2016-06-15 14:46:44 This chick was a waitress but I can't imagine for very long or at multiple places
Received from 18034141483 at: 2016-06-15 14:46:49 My biggest gripe with most law books is how FAST cases progress. It's annoying Bc part of case strategy is the resources demanded by them and how long they take
Sent to 18034141483 at: 2016-06-15 14:47:19 Yea I mean - most people have been servers but that doesn't mean they KNOW the industry
Received from 18034141483 at: 2016-06-15 14:47:51 Yea. Also in both cases, they're clearly just playing to their audience. This is what people want to believe a law firm and restaurant are like
Received from 18034141483 at: 2016-06-15 14:48:02 Right right. Very true.

Sent to 18034141483 at: 2016-06-15 14:49:25 If you want to actually read an interesting restaurant book - I would rec Service Included. It's a memoir about a server at Per Se (the super snazzy apparently amazing Nyc restaurant)
Sent to 18034141483 at: 2016-06-15 14:50:09 And yes! I'm so excited for Komi! It's gonna be amazing. I told Chris how since I'm doing the dep prep earlier in the day - we are 100% drinking all the wine no question. He laughed and obvy agreed.

Received from 17034098702 at: 2016-06-15 17:04:07 Hey there :) I actually have a business related question for you. What's in scope for the corporate legal work you do? We're working on a credit agreement with BB&T that our current external counsel is conflicted from handling
Received from 17034098702 at: 2016-06-15 17:09:10 Also our COO is resigning who has the relationship with the other firm and legal is under me going forward. So I can look into switching US legal counsel as well. We have an Irish solicitor on payroll that handles the international side

Sent to 17034098702 at: 2016-06-15 18:07:23 We would of course have to check our conflicts beforehand to make sure we could handle but that's pretty routine.

Received from 17034098702 at: 2016-06-15 18:08:24 Bc as I well know you're getting married this weekend 🤗🤗🤗
Received from 17034098702 at: 2016-06-15 18:09:43 For BB&T credit probably the next month or so. But for the full on corporate legal counsel, our COO leaves July 15th then I would have the authority anytime after that to make a change. I'd be out from June 18 - July 5th for the honeymoon :)
Sent to 17034098702 at: 2016-06-15 18:10:03 So what's your area of expertise?
Sent to 17034098702 at: 2016-06-15 18:10:17 My area of expertise is derivatives
Received from 17034098702 at: 2016-06-15 18:10:25 Ahh

Sent to 17034098702 at: 2016-06-15 18:10:54 Takes me back to the Freddie Mac days
Received from 17034098702 at: 2016-06-15 18:10:56 So I wouldn't personally be handling this work but I can attest that Skadden has an amaaaazing corporate practice that would be relevant to what you are describing.
Received from 17034098702 at: 2016-06-15 18:11:23 Well as long as you get some credit for bringing it in :)
Sent to 17034098702 at: 2016-06-15 18:11:30 That said, I should also warn that with excellence comes cost. Not sure what your budget is but that may be something to consider
Received from 17034098702 at: 2016-06-15 18:11:49 Of course! I will definitely get credit! And I really appreciate you thinking of me and my firm!
Received from 17034098702 at: 2016-06-15 18:12:10 Oh don't worry we pay very high legal bills already since were cleared and foreign owned.
Received from 17034098702 at: 2016-06-15 18:12:17 Who has been handling your legal work thus far?
Sent to 17034098702 at: 2016-06-15 18:12:25 But we have a niche law firm that handles that
Received from 17034098702 at: 2016-06-15 18:13:05 Shulman Rogers handles most of the stuff I'd be looking at switching
Sent to 17034098702 at: 2016-06-15 18:13:26 But we use Strook for all the

boutique government requirements we deal with
Sent to 17034098702 at: 2016-06-15 18:14:03 The Board likes Strook so I'd be stuck with them for the time being but would have more control over that over time
Received from 17034098702 at: 2016-06-15 18:14:18 Haven't heard of Shulman but I know Stroock
Sent to 17034098702 at: 2016-06-15 18:14:29 Yup
Received from 17034098702 at: 2016-06-15 18:14:42 Shulmans out of bethesda
Received from 17034098702 at: 2016-06-15 18:15:04 We would likely cost more than Stroock but would be somewhat commensurate
Received from 17034098702 at: 2016-06-15 18:15:23 They're mid cost but I'm not entirely happy with their quality since my neck is on the line
Received from 17034098702 at: 2016-06-15 18:15:25 But quality would also go up 😄
Sent to 17034098702 at: 2016-06-15 18:15:27 That's perfect
Received from 17034098702 at: 2016-06-15 18:15:38 I can handle that
Received from 17034098702 at: 2016-06-15 18:15:43 Yea Skadden is obsessed with perfection.
Sent to 17034098702 at: 2016-06-15 18:16:01 Well I'm trying to keep the officers out of jail
Received from 17034098702 at: 2016-06-15 18:16:16 Which is harder and harder as we do more work with foreign governments
Sent to 17034098702 at: 2016-06-15 18:16:24 Yea I hear that
Received from 17034098702 at: 2016-06-15 18:16:34 So there's definitely lots of opportunity
Received from 17034098702 at: 2016-06-15 18:16:59 And we usually drop around 50-100k in legal each year for limited work
Sent to 17034098702 at: 2016-06-15 18:17:28 But our sales and budget keep growing
Received from 17034098702 at: 2016-06-15 18:17:29 Got it. Well how about I work on pulling some people's names for you and we can discuss once you get back from your honeymoon?

Received from 15717218115 at: 2016-06-24 15:16:11 Right after you had committed to other plans that several other people were involved in
Sent to 15717218115 at: 2016-06-24 15:16:37 It's just very inconsiderate.
Sent to 15717218115 at: 2016-06-24 15:16:52 Let me get back to you I'm busy. I will call my sister about the swim time.
Received from 15717218115 at: 2016-06-24 15:17:00 Okay
Received from 19142603729 at: 2016-06-24 15:19:14 I am so annoyed
Received from 19142603729 at: 2016-06-24 15:19:46 James is trying to cancel on brunch tomorrow. After I asked him on Tuesday what works best for him.
Sent to 19142603729 at: 2016-06-24 15:19:58 And then scheduled this based on him telling me what works for him.
Sent to 19142603729 at: 2016-06-24 15:20:30 NOW he is saying oh actually only Sunday works bc my nephew has a swim meet tomorrow. And so I straight up told him I am offended and wish he had handled it better.
Received from 19142603729 at: 2016-06-24 15:20:57 And he was like how should I have handled it better I only found out about the swim meet yesterday. And I was like right, after you made plans with several other people...
Sent to 19142603729 at: 2016-06-24 15:21:53 I just feel like he is never reaching

out to us to make plans. And now he is treating me like a secretary
Sent to 19142603729 at: 2016-06-24 15:24:03 What exactly did he say when he reached out to you?
Sent to 19142603729 at: 2016-06-24 15:24:20 Like did he just say, "I can't go" or was he apologetic
Sent to 19142603729 at: 2016-06-24 15:24:22 “Don't think Sarah or I can make brunch tomorrow. My nephew want me to go to his swim meet and I don't think it ends until noon.”
Sent to 19142603729 at: 2016-06-24 15:25:01 So why dont we just push it back to 1 or they come late?
Sent to 19142603729 at: 2016-06-24 15:25:23 I agree - but he is just launching into cancelling
Sent to 19142603729 at: 2016-06-24 15:26:28 If it were me, I would understand that he wants to see his nephew. Especially if he asked him to go. However, I would just tell him that I dont understand why he wants to straight up cancel if it ends before the actual reservation starts.
Received from 19142603729 at: 2016-06-24 15:26:48 I just think its bullshit
Received from 19142603729 at: 2016-06-24 15:26:58 I tend to agree. Doesnt make sense
Sent to 19142603729 at: 2016-06-24 15:27:03 I mean how important could this swimmeet be if he just found out about it yesterday
Received from 19142603729 at: 2016-06-24 15:27:23 I just feel like if that were me I would handle it so differently
Sent to 19142603729 at: 2016-06-24 15:27:36 I wouldnt go there but he should make more of an effort to rectify the situation.
Received from 19142603729 at: 2016-06-24 15:27:46 i am not going there w him
Sent to 19142603729 at: 2016-06-24 15:27:51 I am just saying to you
Received from 19142603729 at: 2016-06-24 15:28:27 I agree. More than within your right to tell him he could handle it better than just cancelling like its no big deal. Especially because people were looking forward to seeing him. Which is true.
Sent to 19142603729 at: 2016-06-24 15:28:29 I am saying to him how the way he is handling it is inconsiderate of us since we based our schedule around him and got it ironed out on TUESDAY
Sent to 19142603729 at: 2016-06-24 15:29:22 Right. Nobody is saying we are more important than his nephew, but there is a classy way of handling than just being like, "I cant go"
Received from 19142603729 at: 2016-06-24 15:29:46 Correct.
Sent to 19142603729 at: 2016-06-24 15:29:58 You don’t have to make us feel like we don’t matter. Its rude
Sent to 19142603729 at: 2016-06-24 15:30:32 It is just such a peeve of mine when people cancel plans for NEW plans
Received from 19142603729 at: 2016-06-24 15:30:42 Right.
Sent to 19142603729 at: 2016-06-24 15:31:06 If you are going to do that, you need to handle it like a fucking expert.
Received from 19142603729 at: 2016-06-24 15:31:41 All he is seeing however is that its family so it shouldnt matter. Which is half true. Family does trump a friend brunch, but that doesnt mean you can just flake and use that as an excuse.
Sent to 19142603729 at: 2016-06-24 15:32:20 I don’t agree.
Sent to 19142603729 at: 2016-06-24 15:32:28 Family trumps friend flat out sure.
Sent to 19142603729 at: 2016-06-24 15:32:44 But family doesn’t hold a trump card in general for every event.
Received from 19142603729 at: 2016-06-24 15:33:36 And I think if you cancel last minute, you stress how bad you feel and can we do X at Y time instead and take over the planning
Sent to 19142603729 at: 2016-06-24 15:34:30 I just feel like I am always planning things and people are always cancelling on me and its so rude.
Received from 19142603729 at: 2016-06-24 15:35:17 I couldn't articulate well via

Received from 19142603729 at: 2016-06-24 15:41:01 Right. Very insensitive. Problem is that insensitive people usually have difficulty seeing their insensitivity. I would just pass the buck to him and literally say, "dude- you're the one cancelling. I dont have time to see if that works with everyone and re-schedule. You have all the info you need so YOU fix it".

And eat lots of salted meats, carbs, and seafood this weekend (like bacon, salami, olives, potatoes, shrimp, smoked salmon). Avoid yogurt, spinach, broccoli, tofu, nuts and beans.

Received from 19144190840 at: 2016-06-24 21:55:37 You have missionary sex on the 25th, try not to orgasm, take a bath afterwards. Collin should take a hot shower before sex. You avoid eating meat and high salt items, and eat yogurt, spinach, broccoli, tofu, nuts and beans.

Received from 17049752056 at: 2016-06-27 01:29:51 I laughed when I heard your voicemail message - it still says Manafort! You've been married a year!
Sent to 17034079714 at: 2016-06-27 01:29:56 That said. I am now terrified.

Sent to 17049752056 at: 2016-06-27 01:30:24 I wasn't drunk or anything. I just left it on the table where we had dinner.
Received from 17034079714 at: 2016-06-27 01:30:35 Yeah basically I'm not waiting anymore. I overthink everything and I know that is the root of my anxiety and I'm just ready to have a baby
Sent to 17034079714 at: 2016-06-27 01:31:03 But that not waiting thing only happened days ago after my major work situation was done
Received from 17049752056 at: 2016-06-27 01:31:16 Haha. We are so old. I have done that before. Don't remember the last time I actually drank enough to lose something. Probably your wedding!

Received from 17034079714 at: 2016-06-27 01:31:57 It's like as soon as I'm super happy I'm like fuck maybe we should wait. I'm really enjoying being happy and maybe I shouldn't rock the boat.
Received from 17034079714 at: 2016-06-27 01:32:10 But then of course having a baby when you're UNHAPPY makes no sense
Received from 17049752056 at: 2016-06-27 01:32:39 Yea me neither. Def taking it easy these days
Sent to 17034079714 at: 2016-06-27 01:32:40 Yeah I totally get it. We're doing great but of course you don't realize that until it's over and then it's not a good idea!

Received from 17034079714 at: 2016-06-27 01:35:27 Exactly that's my fear, like continue to wait and avoid the inevitability of not being able to have a baby. Obviously I really don't believe that but you never know
Sent to 17049752056 at: 2016-06-27 01:35:29 How is Chris?

Sent to 17049752056 at: 2016-06-27 01:39:23 Oh I'm terrified. I don't like the idea of sharing my body w another person
Sent to 17049752056 at: 2016-06-27 01:39:48 Plus it's so much responsibility! To be pregnant. And not drink or take pills etc

Sent to 17049752056 at: 2016-06-27 01:42:23 Yes! I am. Exactly.
Sent to 17049752056 at: 2016-06-27 01:42:58 My family gets pregnant real easily. But I have a short luteal phase which I am scared will effect my ability to implant or whatever
Received from 17049752056 at: 2016-06-27 01:43:13 So I feel like it could go either way. Be easy or be tricky
Sent to 17049752056 at: 2016-06-27 01:43:21 Yeah. But you only take a little while without it. Plus, you are going to be exhausted all the time being pregnant, so that will take the place of Xanax.

Sent to 17049752056 at: 2016-06-27 01:47:21 Yeah. Exactly. We had a whole group of lawyers leave for another firm, so there was a little chaos for a while, but it gave me a ton of security, bc I was the only associate for a while. But it is also stressful because I want to be able to have good hours

Sent to 18034141483 at: 2016-06-27 15:50:25 I am currently a little nervous bc I recently realized that I have a short luteal phase. Which is the “phase” in between ovulating and getting your period. It is generally 12-14 days and mine is about 10 days. It can be a non-issue, or it can make it difficult for the embryo to implant. I made the mistake of googling it.

Sent to cshand01@gmail.com at: 2016-06-27 16:38:18 What makes you feel that? Just a general feeling or is there something specific?
Sent to cshand01@gmail.com at: 2016-06-27 16:41:24 My luteal phase is short
Sent to cshand01@gmail.com at: 2016-06-27 16:42:26 how many days?
Sent to cshand01@gmail.com at: 2016-06-27 16:43:48 It looks like it is 9 or 10 days
Received from cshand01@gmail.com at: 2016-06-27 16:43:55 Hard to say
Sent to cshand01@gmail.com at: 2016-06-27 16:50:37 That is short but doesn't mean we can't get pregnant. I think it's good we're aware of your schedule and the 'potential' of difficulty. I know it's easier said than done, but I think you should try your hardest not to stress about it. I think we have to take things in phases. Right now, we're in phase one. It's normal if you don't get pregnant in the first try. If we still aren't getting any results after 2 or 3 then we step up our game and make sure we are doing everything perfectly.
Received from cshand01@gmail.com at: 2016-06-27 16:51:24 I've talked to my friends and the info varies so drastically. Some were one shot, some took a year and some most were in the middle

Sent to cshand01@gmail.com at: 2016-06-27 16:52:43 I think we're at a point where we're about to determine what 'our' situation is
Sent to cshand01@gmail.com at: 2016-06-27 16:54:08 right now, I'm not concerning myself with if you can get pregnant or not because that's not a productive fear. Obviously that's always at the back of my mind, but I have to tell myself

that I can’t worry about that yet because it will cause tension, which could be very negative for us
Received from cshand01@gmail.com at: 2016-06-27 16:54:28 I know you’re right
Received from cshand01@gmail.com at: 2016-06-27 16:54:33 I wish it were that simple

Received from 17038194236 at: 2016-06-27 18:03:34 That is terrific. You have a beautiful home - it would be a shame to move away! I was up there for a week with Manny (at his HQ) and I had a great time - really made me miss it. We feel so comfortable and at home there. We lived there for 17 years and built a lot of memories .... BUT I do love being in Charleston too. It is so hard! Hugs and kisses to you both! Hope to see you guys soon!

Sent to 17038194236 at: 2016-06-27 18:04:55 Yes we really love it here as well! So I completely understand your nostalgia! Glad to hear you all are well! Hope to see you later this summer!! Xoxo

Received from 19142603729 at: 2016-06-30 14:20:25 I wouldn't! Original does not always mean better. The whole point of a long running Broadway show, which this clearly is, is that the show always maintains its integrity. It will still be amazing.

Sent to 19142603729 at: 2016-06-30 15:12:31 I kind of think its a bad idea too but that is my gut. My emotions say another thing

Received from 19142603729 at: 2016-06-30 15:12:57 Well may be better for Chloe

Sent to 19142603729 at: 2016-06-30 15:14:07 The main con is that we lost time in exposing her to things.
Received from 19142603729 at: 2016-06-30 15:14:19 Right. That what I was thinking too.
Received from 19142603729 at: 2016-06-30 15:14:44 Meaning that she isnt used to us yet and might miss her first home?
Sent to 19142603729 at: 2016-06-30 15:15:25 Yes. And puppies have an open mind that first year. Anything you do during that time they will be comfortable with in the long term
Sent to 19142603729 at: 2016-06-30 15:15:35 Hence why we took Chloe on a plane and a car trip etc
Sent to 19142603729 at: 2016-06-30 15:16:45 Right.
Sent to 19142603729 at: 2016-06-30 15:18:19 Another pro is that we wouldnt have to wait long to take her out of the yard etc. So I could take them both on walks pretty quickly.
Received from 19142603729 at: 2016-06-30 15:19:49 True
Received from 19142603729 at: 2016-06-30 15:20:57 I would be fully on board. But I just hesitant Bc what if she didn't like adjust

Received from 19142603729 at: 2016-06-30 15:23:37 It adds a whole new element when traveling and such. Chloe has gotten so good and Im spoiled by it now

Sent to 19142603729 at: 2016-06-30 15:24:17 To be completely honest, as much as I want another one Im probably more towards the no camp
Received from 19142603729 at: 2016-06-30 15:24:42 Well think about the idea of getting an older pup. Mull it over

Sent to 19142603729 at: 2016-07-07 14:45:39 Technically tomorrow. Did some stuff earlier but it was just chalked up as a travel day.
Received from 19142603729 at: 2016-07-07 14:46:44 Madrid is mostly meetings and being around the office. Chinchon is when I'll be on set all day. Which starts Sunday.
Sent to 19142603729 at: 2016-07-07 15:03:03 So what are you doing???
Received from 19142603729 at: 2016-07-07 15:03:36 Like today?
Sent to 19142603729 at: 2016-07-07 15:06:25 Im just exploring now while I wait for peeps to get back from set. Trying to find a plaza to do some reading. Was supposed to finish reading our latest IP before I got here. Whoops

Sent to 19142603729 at: 2016-07-07 15:06:34 Yes today
Received from 19142603729 at: 2016-07-07 15:06:47 What's ip
Received from 19142603729 at: 2016-07-07 15:07:14 Intellectual Property.
Sent to 19142603729 at: 2016-07-07 15:07:22 What does that mean
Received from 19142603729 at: 2016-07-07 15:07:26 To read IP
Received from 19142603729 at: 2016-07-07 15:07:36 Like a contract?
Sent to 19142603729 at: 2016-07-07 15:08:47 No. IP in my industry is "source material". Eg- comics, books, articles. This one is a biography.
Sent to 19142603729 at: 2016-07-07 15:09:00 Got it
Received from 17038995561 at: 2016-07-07 16:39:44 Lee sent me an orchid to confirm our date for tomorrow. He also has been gushingly romantic but also self deprecating and just nervous enough
Sent to 17038995561 at: 2016-07-07 16:39:59 Is it horrible that I'm wary?
Sent to 17038995561 at: 2016-07-07 16:40:46 No. It probably just means you aren't emotionally ready
Sent to 17038995561 at: 2016-07-07 16:42:39 He said he only sends orchids to "very special ladies"
Received from 17038995561 at: 2016-07-07 16:43:21 It just seems like he's a player
Sent to 17038995561 at: 2016-07-07 16:50:56 So don't go?
Received from 17038995561 at: 2016-07-07 16:51:31 I'm not sure what you're looking for right now (probably Bc you don't know yourself)
Received from 17038995561 at: 2016-07-07 16:51:42 As such it's hard to advise you on how to handle
Sent to 17038995561 at: 2016-07-07 16:52:51 I just wanted your opinion on the flower and romanticism after a few days
Received from 17038995561 at: 2016-07-07 16:53:46 Well I think you aren't the only person he has sent an orchid to
Received from 17038995561 at: 2016-07-07 16:53:57 But if you like the gesture then that shouldn't matter
Sent to 17038995561 at: 2016-07-07 16:54:19 Right
Sent to 17038995561 at: 2016-07-07 16:54:22 It's just more info to help you learn about him
Sent to 17038995561 at: 2016-07-07 16:55:15 I think it's a nice thing to do. But I also know that I personally wouldn't like it.
Received from 17038995561 at: 2016-07-07 16:55:37 Why not?
Sent to 17038995561 at: 2016-07-07 16:56:25 Well Bc I would find it cheesy. And I'm more of a goofball who likes dating to be more casual.
Sent to 17038995561 at: 2016-07-07 16:56:38 It's just not my style
Received from 17038995561 at: 2016-07-07 16:57:16 Right
Sent to 17038995561 at: 2016-07-07 16:57:19 I also don't like orchids.
Sent to 17038995561 at: 2016-07-07 16:57:40 Lol I've bought you one
Received from 17038995561 at: 2016-07-07 16:57:57 I know. Because you like them!
Sent to 17038995561 at: 2016-07-07 16:58:12 I like fluffier flowers. That aren't so stark
Sent to 17038995561 at: 2016-07-07 16:59:00 Whatever the case - if YOU like that he sent you an orchid that's what matters
Received from 17038995561 at: 2016-07-07 16:59:00 I'm just going to view him as a lover.
Sent to 17038995561 at: 2016-07-07 16:59:32 He's talking future stuff, we just met on Sunday
Received from 17038995561 at: 2016-07-07 17:01:08 You always say you are gonna view people as lovers.
Sent to 17038995561 at: 2016-07-07 17:01:18 What does that even mean?
Sent to 17038995561 at: 2016-07-07 17:02:02 It helps limit my expectations
Sent to 17038995561 at: 2016-07-07 17:03:24 I don't think you are having a real introspective convo w yourself
Received from 17038995561 at: 2016-07-07 17:04:16 How do i do that?

Received from 17038995561 at: 2016-07-07 17:06:43 No i know this. Explore how i feel and why
Sent to 17038995561 at: 2016-07-07 17:07:52 Yes. I think using the term lover is a cop out
Sent to 17038995561 at: 2016-07-07 17:08:06 You just classify a person as a non-threat and don't think it thru
Received from 17038995561 at: 2016-07-07 17:08:42 Based on history, people who are lovers you still develop feelings for and get emotionally entangled.
Sent to 17038995561 at: 2016-07-07 17:08:46 Right
Received from 17038995561 at: 2016-07-07 17:09:11 So I would recommend treating evry guy as a viable candidate.
Received from 17038995561 at: 2016-07-07 17:10:08 And this as a data point
Sent to 17038995561 at: 2016-07-07 17:10:20 Yes

Sent to 19142603729 at: 2016-07-07 17:41:09 And where are you right now? (Trying to figure out if find your friends is working)
Received from 19142603729 at: 2016-07-07 17:45:31 Iberostar Las Letras. Thats my hotel. Im leaving the makeshift office now, which is a conference room in my hotel. The other one is two buildings down. Im sending you over my Madrid itinerary and Chinchon call sheet.
Sent to 19142603729 at: 2016-07-07 17:53:55 Nice! Thx
Received from 19142603729 at: 2016-07-07 17:54:12 Find your friends is on point!
Sent to 19142603729 at: 2016-07-07 17:54:37 Btw - I'm watching Grace and Frankie
Sent to 14018641983 at: 2016-07-07 18:02:37 OK I need to hear something...IF they end of offering me a job (and its still an if at this point) I should negotiate whatever they offer correct?
Sent to 19142603729 at: 2016-07-07 18:03:32 👀
Received from 19142603729 at: 2016-07-07 18:03:48 Who's Frankie again?
Sent to 19142603729 at: 2016-07-07 18:04:32 Im so brain dead right now. Going on 30hrs w/no sleep
Sent to 19142603729 at: 2016-07-07 18:04:34 Lily tomlin
Sent to 14018641983 at: 2016-07-07 18:04:52 Not necessarily.
Received from 14018641983 at: 2016-07-07 18:04:51 I mean it's not like any emoyer has taken an offer off the table because you ask for too much right? I mean once they present an offer?
Received from 14018641983 at: 2016-07-07 18:04:53 The problem is they already know they're offering me more than I make now so it's harder for me to negotiate...but I'm still going to ask for more than whatever they offer right? I mad a huge mistake of not negotiating my starting salary at booz because I'm a woman
Received from 19142603729 at: 2016-07-07 18:05:16 Ohhhh- I see. Any good?
Received from 14018641983 at: 2016-07-07 18:05:27 I hear you. But I think you should take the offer they give and consider it on its own face.
Sent to 14018641983 at: 2016-07-07 18:05:34 You shouldn't negotiate just to negotiate.
Sent to 14018641983 at: 2016-07-07 18:06:05 Hm. Why not don't you think?
Received from 14018641983 at: 2016-07-07 18:06:25 Well I'm just saying lets see what they offer first!
Received from 14018641983 at: 2016-07-07 18:07:13 I pretty much already know what they're going to offer...and it's 40% more than I make now
Received from 14018641983 at: 2016-07-07 18:07:15 You need to remember that you will be working there if you accept the offer. So you don't want to be sooooo aggressive about it
Sent to 14018641983 at: 2016-07-07 18:07:34 Right right
Sent to 14018641983 at: 2016-07-07 18:07:47 I think the move is - to negotiate the NEXT salary bump.
Received from 14018641983 at: 2016-07-07 18:07:55 It shows you are interested in staying.

Sent to 14018641983 at: 2016-07-07 18:08:10 Hm go on...
Received from 19142603729 at: 2016-07-07 18:08:13 Yes
Sent to 14018641983 at: 2016-07-07 18:08:48 You say I like your starting offer. Walk me thru benefits etc. and then you ask what promotions look like down the line and how soon etc
Received from 14018641983 at: 2016-07-07 18:09:35 I think that is the area you can negotiate. Like bump up the consideration for your first promotion in time (i.e. 6 months) or make them tell you the amount of the next promotion
Sent to 14018641983 at: 2016-07-07 18:10:05 You can also negotiate for additional vacation days.
Sent to 14018641983 at: 2016-07-07 18:10:13 I think that's the area you go after.
Received from 14018641983 at: 2016-07-07 18:10:45 You got the salary jump you want and then some. Go for the extras.
Sent to 14018641983 at: 2016-07-07 18:11:10 Yes yes this is all great. I think something like parking would be good to bring up to
Sent to 14018641983 at: 2016-07-07 18:12:21 I don't know what the parking sith is but fm what I heard it's rare that companies pay for parking anymore
Sent to 14018641983 at: 2016-07-07 18:13:01 I've never had to pay for parking...trouble is...it's like a mile away from where I live but it's still super important to me
Sent to 14018641983 at: 2016-07-07 18:13:20 Just see what they offer and what's included. And then marinate.
Sent to 14018641983 at: 2016-07-07 18:13:55 OK so things I need to ask IF I get an offer: maternity leave, parking, signing bonus. That's another thing I though about
Sent to 14018641983 at: 2016-07-07 18:14:27 From what I understand companies are open to signing bonuses because it's a one time thing
Received from 14018641983 at: 2016-07-07 18:15:01 Yup. Vacation days. Insurance.
Received from 14018641983 at: 2016-07-07 18:15:12 Growth potential
Received from 14018641983 at: 2016-07-07 18:15:18 Can you negotiate insurance tho?
Sent to 14018641983 at: 2016-07-07 18:15:29 I don't think so
Received from 14018641983 at: 2016-07-07 18:17:30 I mean let's face it...I really AM in a good negotiating position...the ultimate...because I absolutely CAN walk away...but to your point if I work there I don't want to start off on the wrong foot that's really the only downside which isn't really even
Received from 14018641983 at: 2016-07-07 18:20:26 Another good position that I'm coming fm is that I don't JUST want to do the client work and go home I want more than that. So I want more money for more work
Sent to 14018641983 at: 2016-07-07 18:21:17 I mean I get that's where bonuses come in tho...which brings me to my next question: what's a bonus and how much should I expect?
Sent to 14018641983 at: 2016-07-07 18:22:03 Yup
Received from 14018641983 at: 2016-07-07 18:22:12 You'll be fine

Received from 19146716630 at: 2016-07-10 03:17:45 Had a productive scholarly month at NYU and went to some amazing events and exhibitions. My favorites were Duke Riley's performance art with the homing pigeons at the old Brooklyn Navy Yard and seeing the Hokulea (http://hawaiianpaddlesports.com/news/hokulea-history-hawaiis-voyaging-canoe/). Three colleague/friends were from Hawaii and took me to the Governor's Island landing reception and pot luck lunch. I do miss my little dorm room and wish I could keep it so I could stay in the city when I come in for events.

Received from 17039551261 at: 2016-07-10 14:30:24 Hey Dr. C - I think I am getting a migraine but I also think I could be pregnant (too soon to know for sure). Can I take the imitrex or should I avoid?
Sent to 19178211113 at: 2016-07-10 14:31:27 I don't think I'm pregnant. Just FYI. I don't want to talk about it. Just don't want you asking me about it.
Sent to 17039551261 at: 2016-07-10 14:33:28 All I can say is the drug prescribing reference says caution is advised based in the mechanism of action, but there are no studies regarding known harm. Likely this early there is low risk, but there is no way for me to give you a perfect answer. Obviously avoiding if pregnant is the only 100% safe way to be sure.
Sent to 17039551261 at: 2016-07-10 14:34:03 Right. Is there any other med that may help that is safe?

Sent to 17039551261 at: 2016-07-10 14:38:43 Absolutely. Next time you are at the OB make sure you ask them which migraine meds they permit. They may say imitrex can be used during certain times in pregnancy.

Sent to 18034141483 at: 2016-07-11 15:50:30 Yea it's either tonight or tomorrow morning. I agree
Received from 18034141483 at: 2016-07-11 15:51:36 Which if that happens you would be static on Thursday. Which means ovulating on Friday most likely.

Received from 18034141483 at: 2016-07-11 15:53:42 And it was spot on last time, so maybe I'll have less flashing

Sent to 18034141483 at: 2016-07-11 16:14:19 It was actually relatively high. Something like a third of women got their bfp on dpo 9 or 10
Received from 18034141483 at: 2016-07-11 16:14:34 The rest were 11-14

Sent to 15165109490 at: 2016-07-11 22:17:25 Yes I know that. The worst thing for you is us both wanting the job and you getting it. I feel like you'd die from guilt.
Received from 15165109490 at: 2016-07-11 22:17:39 But it's totally unnecessary. I don't take work personally.
Sent to 15165109490 at: 2016-07-11 22:18:27 Plus I really don't know that I want it for a number of reasons. So it could be a moot point all together.

Sent to 15165109490 at: 2016-07-11 22:21:08 Yea.

Received from 15165109490 at: 2016-07-11 22:21:26 The perks are obvious. But I think it would be a giant increase in stress
Data Missing 15165109490 at: 2016-07-11 22:21:53 It's a lot of regulatory work
Data Missing 15165109490 at: 2016-07-11 22:21:55 Yea I don't disagree. But I suppose I'm ok with that
Received from 15165109490 at: 2016-07-11 22:22:20 Okay good. Just wanting to make sure you see the full picture before taking any big steps.

Sent to 15165109490 at: 2016-07-11 22:22:56 Well that's why I was very surprised Devan told me you were interested

Received from 15165109490 at: 2016-07-11 22:23:30 You were surprised I was interested?
Sent to 15165109490 at: 2016-07-11 22:23:47 I told Devan I would think about it. And that it was an appealing idea. But I told him my concern re: having a family. He thinks it's a nonissue. But I just don't see how that can be
Received from 15165109490 at: 2016-07-11 22:24:31 I mean I guess it depends on what your intentions are in having a family...
Sent to 15165109490 at: 2016-07-11 22:24:32 Yup. I didn't think you had any interest in regulatory. Despite what Devan says - this is not a litigation position.
Received from 15165109490 at: 2016-07-11 22:25:01 And the balance you're looking to strike
Sent to 15165109490 at: 2016-07-11 22:25:29 Regarding a family - I mean maternity leave
Received from 15165109490 at: 2016-07-11 22:26:01 If I get pregnant soon. I would be out within the next year.

Sent to 15165109490 at: 2016-07-11 22:28:13 I just don't think having a kid and starting a new position - ESP one that is really a very different career direction - in the same year is practical.
Received from 15165109490 at: 2016-07-11 22:28:38 Chris is out of town so I haven't been able to discuss it with him yet.

Sent to 15165109490 at: 2016-07-11 22:29:48 But don't feel like you have to
Sent to 15165109490 at: 2016-07-11 22:30:55 I don't really have an opinion...i def think it could be difficult. But a lot of how difficult it will be depends on how ok you are working a lot while having a child
Sent to 15165109490 at: 2016-07-11 22:31:12 Right the issue is
Received from 15165109490 at: 2016-07-11 22:31:15 Maternity leave.

am negotiating for something like that.
Sent to 15165109490 at: 2016-07-11 22:33:25 Yea. I suppose it would be easier to negotiate that if your plans for maternity weren't imminent.
Received from 15165109490 at: 2016-07-11 22:33:49 I guess tough for that to be a part of opening negotiations. Idk
Sent to 15165109490 at: 2016-07-11 22:33:55 I just don't think it's fair. To join a small company and then abandon them.

Received from 15165109490 at: 2016-07-11 22:36:22 That said - I am also nervous about whether you'd be happy there. But that's ultimately a personal choice and you'd know best
Received from 15165109490 at: 2016-07-11 22:36:55 It's a very high stress environment Bc there isn't a team like we are used to
Sent to 15165109490 at: 2016-07-11 22:37:41 If I get serious about it, I will talk to my partner boss and ask his opinion. But I have a feeling I know what he will say - it's too soon.

Received from 17049752056 at: 2016-07-12 23:11:00 I think we are free of constraints. We might go see a show Saturday for a matinee, but that will be over pretty early
Received from 17049752056 at: 2016-07-12 23:12:01 I tried to convince Ben to get me tix to Hamilton for Saturday night but apparently he doesn't want to drop $1,500 on a 2 hour musical. What a weirdo.
Received from 17049752056 at: 2016-07-12 23:13:42 So we might do Aladdin or les miz or something for the matinee instead

Received from 18034141483 at: 2016-07-13 02:44:02 Next Monday. It pushes it a week
Sent to 18034141483 at: 2016-07-13 02:44:39 So basically once I get it I just input it. Or if I am knocked up there is a place you click "pregnant"
Sent to 18034141483 at: 2016-07-13 02:45:05 So it always estimates a longer luteal phase
Received from 18034141483 at: 2016-07-13 02:45:27 ?
Sent to 18034141483 at: 2016-07-13 02:47:16 No no - glow said I should have started my period yesterday
Received from 18034141483 at: 2016-07-13 02:47:49 So when I logged yesterday - it asked me if I had started and I said no. And so it pushed it a week back and now it says next Monday.
Sent to 18034141483 at: 2016-07-13 02:48:04 So it usually estimates a 10 day luteal phase for me.
Sent to 18034141483 at: 2016-07-13 02:49:18 Oh ok. Weird, same thing happened to me where I said no and then it estimated 2 days later
Received from 18034141483 at: 2016-07-13 02:49:28 How does it come up with those I wonder
Received from 18034141483 at: 2016-07-13 02:50:33 I don't know what I was doing when it happened. I clicked a bunch of stuff frantically to make it go away.

Received from 18034141483 at: 2016-07-13 19:58:58 I've been monitoring my bbt every morning it calms me.
Sent to 18034141483 at: 2016-07-13 19:59:28 Bc it spikes when you are in the luteal phase. It's about 0.5 - 1.0 higher than before it. Due to the progesterone.
Sent to 18034141483 at: 2016-07-13 19:59:45 And so when you get your period it drops. So it's a warning sign that it's coming.
Sent to 18034141483 at: 2016-07-13 20:00:38 I've read that some women have a one day drop in the mid luteal phase though when implantation occurs. But if I am implanted - I didn't have that drop happen.

Sent to 18034141483 at: 2016-07-13 20:03:57 The morning your temp drops that means you are gonna O the following day. Then it spikes and that's how you know that's your O day.

Received from 18034141483 at: 2016-07-13 20:06:53 It's a run of the mill thermometer. They also have special ones that are crazy accurate specifically for Bbt. But I didn't care about that. Wanted something versatile.

Received from 18034141483 at: 2016-07-14 01:38:08 And I purposefully didn't bring it up today
Sent to 18034141483 at: 2016-07-14 01:38:35 I mentioned it on Monday. And gave him an update that no AF yesterday. I think he suspects.

Sent to 18034141483 at: 2016-07-14 01:50:32 All good stuff
Received from 18034141483 at: 2016-07-14 01:56:18 You're right.
Sent to 18034141483 at: 2016-07-14 01:56:24 Change is just hard for me
Sent to 17178086846 at: 2016-07-14 02:03:54 I can't stop thinking about what you said. You've successfully altered my thinking substantially.
Sent to 17178086846 at: 2016-07-14 02:11:26 Awesome! I'm so glad. I think you are right to be cautious and deliberate about the decision but from my perspective it's easier to see why these things shouldn't necessarily be the determinative factors if you'd otherwise want to come work for us long term
Sent to 17178086846 at: 2016-07-14 02:12:53 Right. I just am the type of person when I commit, I truly commit.
Received from 17178086846 at: 2016-07-14 02:14:00 And so to me, taking this on would be a big commitment and one that I don’t take lightly.
Sent to 17178086846 at: 2016-07-14 02:14:16 Also I think it's natural once you've settled on a plan that you are comfortable with to be cautious to completely change that so I'm trying to show you that we can probably make an environment for you like you envisioned
Sent to 17178086846 at: 2016-07-14 02:14:49 Right, I really appreciate that. Because balancing having a family is really hard
Sent to 17178086846 at: 2016-07-14 02:15:20 And I am honest with myself that there is no such thing as “having it all” - in the sense that you only have so much to give in one day
Received from 17178086846 at: 2016-07-14 02:15:21 Well I know that about you and that's why I think you are such a great candidate and I don't think we'd find someone who can match you
Sent to 17178086846 at: 2016-07-14 02:16:10 Thank you for saying that. I am hard on myself.
Sent to 17178086846 at: 2016-07-14 02:16:28 That is also true, I am an Anne Marie slaughter man myself
Received from 17178086846 at: 2016-07-14 02:17:00 That said I think FORT is a place where it might be possible
Sent to 17178086846 at: 2016-07-14 02:17:50 I think so too - I just think the real hurdle is this next year or so.
Sent to 17178086846 at: 2016-07-14 02:18:16 Hours are so flexible and no one wants people working more than a 45 hour week
Received from 17178086846 at: 2016-07-14 02:18:49 Right. I am not worried about all that. Because I know how I work and I know I am a really efficient worker.
Sent to 17178086846 at: 2016-07-14 02:20:42 It is a lot to think about. I am looking forward to discussing it more with Chris.
Received from 17178086846 at: 2016-07-14 02:23:09 I'm looking forward to hearing about that too
Received from 17178086846 at: 2016-07-14 02:23:42 He is really supportive and I think he will want me to go for it.
Sent to 17178086846 at: 2016-07-14 02:25:22 Another thing: while I know most jobs like this are draining, my goal is to create an environment where people (most importantly my direct team) are energized and intrinsically motivated because they feel connected to the work and the company That's how I feel and I make it my job to build that in my team.

Received from 17178086846 at: 2016-07-14 02:26:05 Right. I am the same way so I totally understand what you are saying.
Sent to 17178086846 at: 2016-07-14 02:27:45 I am not worried about the work. Or the environment.
Sent to 17178086846 at: 2016-07-14 02:29:36 It is the honestly, simply the next year that concerns me.
Received from 17178086846 at: 2016-07-14 02:30:09 I know I could be great at this job and offer a lot of unique advantages in this role.
Sent to 17178086846 at: 2016-07-14 02:31:45 Me too. A year is not important in the long run
Received from 17178086846 at: 2016-07-14 02:32:18 You're right. I guess I just feel guilty in a weird way
Sent to 17178086846 at: 2016-07-14 02:35:15 I totally get it. It's because you have a work ethic that makes you feel obligated to work hard and that's good but I would work with you to set a schedule that allows you to feel good about both work and pregnancy
Sent to 17178086846 at: 2016-07-14 02:35:58 So you wouldn't feel that guilt and you'd feel healthy and happy and also still making progress.
Sent to 17178086846 at: 2016-07-14 02:36:14 Right. I hear you.
Sent to 17178086846 at: 2016-07-14 02:38:58 In some way it might be best because in the first year we just want you learning and there is no pressure on you to produce
Received from 17178086846 at: 2016-07-14 02:40:02 Yea I mean that's true. But I guess I just know I won't be at my "peak" game so to speak. So the idea of starting during that time seems almost unfair
Sent to 17178086846 at: 2016-07-14 02:41:04 I know I am hard on myself. It's tough to balance life with work.
Received from 17178086846 at: 2016-07-14 02:41:27 Yeah but even not at your peak you will learn faster than most
Received from 17178086846 at: 2016-07-14 02:41:36 I know that.
Sent to 17178086846 at: 2016-07-14 02:41:51 I know that I would have a lot of value to add
Received from 17178086846 at: 2016-07-14 02:43:40 And that's why I'll be checking in all the time to see if it's getting tough and how I can help
Sent to 17178086846 at: 2016-07-14 02:44:55 I think I just worry about promoting myself over Elsner. Because I know you will be signing up for more in some ways in the first year if I am hired.
Sent to 17178086846 at: 2016-07-14 02:45:36 And since you are a very good friend of mine, I think I feel bad asking that of you. Even though I know you have offered to support that, and that is truly amazing of you to do.
Received from 17178086846 at: 2016-07-14 02:47:04 Honestly I don't think of it as more because I would work hard to make sure he was engaged with the work and that it balanced well with his family life too
Sent to 17178086846 at: 2016-07-14 02:47:14 Right right.
Sent to 17178086846 at: 2016-07-14 02:48:20 I know why you feel that way but I don't think you should
Received from 17178086846 at: 2016-07-14 02:48:27 Well thank you for saying that.
Sent to 17178086846 at: 2016-07-14 02:49:49 I would be truly thrilled to work alongside you.
Sent to 17178086846 at: 2016-07-14 02:52:59 As would I. It would be a blast

Sent to 17178086846 at: 2016-07-14 03:00:01 Hard to believe I am contemplating two huge life changing things at once.
Sent to 17178086846 at: 2016-07-14 03:00:42 Each is huge all on its own.

Received from 17178086846 at: 2016-07-15 02:38:02 So the end game range would be like 250-350
Received from 17178086846 at: 2016-07-15 02:38:30 I think that's conservative
Received from 17178086846 at: 2016-07-15 02:38:51 Potentially higher
Sent to 17178086846 at: 2016-07-15 02:38:54 Okay!

Received from 17178086846 at: 2016-07-15 02:40:41 Bc if not I would want to negotiate for a signing bonus
Received from 17178086846 at: 2016-07-15 02:40:46 Yes and this year we already made money
Sent to 17178086846 at: 2016-07-15 02:40:58 Okay great
Received from 17178086846 at: 2016-07-15 02:42:12 I think we should try to get you a guaranteed year end that makes you whole
Sent to 17178086846 at: 2016-07-15 02:42:28 That makes sense.
Sent to 17178086846 at: 2016-07-15 02:43:32 If you get a salary cut to 190 for example because that's where I am then your year end should be 65+ difference
Sent to 17178086846 at: 2016-07-15 02:44:16 Right. I feel comfortable discussing that
Received from 17178086846 at: 2016-07-15 02:44:53 I can do it for you
Sent to 17178086846 at: 2016-07-15 02:44:59 That'd be great
Received from 17178086846 at: 2016-07-15 02:45:05 As I've said, my biggest concern is maternity leave negotiations.

Sent to 17178086846 at: 2016-07-15 02:46:39 Right
Received from 17178086846 at: 2016-07-15 02:47:15 For my first - I just have difficulty compromising a lot. Since it will be a new thing
Sent to 17178086846 at: 2016-07-15 02:48:19 But I have been thinking a lot of some value add I can bring in - and I have some ideas of how I can possibly help to bring in $$
Sent to 17178086846 at: 2016-07-15 02:49:01 I would need to learn more about the company's needs but one of my very close family friends is Tom Barrack of Colony Capital and he has been trying to figure out how to work w me on something
Received from 17178086846 at: Data Missing That's great
Sent to 17178086846 at: 2016-07-15 02:50:15 So I feel like I would sleep better at night taking an intense maternity leave if I could bring something in that helps the company
Sent to 17178086846 at: 2016-07-15 02:52:29 Well i think you should just think of it as a guaranteed bonus negotiated at signing
Sent to 17178086846 at: 2016-07-15 02:52:43 Part cash part paid time off, which is just cash
Data Missing 17178086846 at: 2016-07-15 02:52:48 Right
Data Missing 17178086846 at: 2016-07-15 02:52:53 It's all cash essentially
Received from 17178086846 at: 2016-07-15 02:53:24 Some paid in year 1 some paid in year of childbirth
Sent to 17178086846 at: 2016-07-15 02:53:58 So you should sleep well!

Received from 15086547654 at: 2016-07-19 20:20:36 And worst part is Kelsey is in such denial right now. She feels shattered but also can't really face all of it so has been wearing the ring and took him to a family function over the weekend

Sent to 17322660485 at: 2016-07-20 13:59:24 I still work from NYC occasionally and visit my family out there. So it's worked out great. Are you settling down in the DC area? I know NYC was a possibility at some point
Received from 17322660485 at: 2016-07-20 14:01:28 Yea we've just been really happy in DC. Chris's company is in NYC so he teleworks and it works out perfectly. He goes up when necessary.
Received from 17322660485 at: 2016-07-20 14:02:23 We may move to NY later on but not until we have a really good reason to. It's so much cheaper here and we have a whole group of friends and what not
Received from 17322660485 at: 2016-07-20 14:04:36 Oh yes for sure and you still get market salary at DC firms so that's a nice situation down there, and they just increased salaries

Sent to 19178211113 at: 2016-07-20 14:42:57 It's extraordinarily rare to find places that match Skadden level things.
Sent to 19178211113 at: 2016-07-20 14:42:57 Plus even if Skadden wanted to match the pay - it's a totally different structure so it can't.
Received from 19178211113 at: 2016-07-20 14:41:43 U gotta take it

Sent to 19178211113 at: 2016-07-20 14:43:55 That's the tricky part
Received from 19178211113 at: 2016-07-20 14:44:44 It likely is
Received from 19178211113 at: 2016-07-20 14:44:44 But nothing is guaranteed.
Received from 19178211113 at: 2016-07-20 14:44:44 Bc it's a hedge fund. So they have to see how the markets perform. And they pay everyone out at the end of the year with bonuses. That's how finance works.

Sent to 19178211113 at: 2016-07-20 14:46:31 Not guaranteed but that's the history of what they have paid out

Received from Data Missing at: 2016-07-25 14:56:38 Saturday night palsy from falling asleep with one's arm hanging over the arm rest of a chair, compressing the radial nerve at the spiral groove.
Sent to Data Missing at: 2016-07-25 14:58:09 Saturday Night Palsy, also known as Radial Neuropathy, is caused by getting rip roaringly drunk and falling asleep in an unusual position such that the radial nerve is compressed. Most commonly this happens when the patient falls asleep with one arm over the back of a chair putting pressure on the radial nerve, which runs alongside the inside of the arm, by compressing the brachial plexus.

Sent to 19142603729 at: 2016-07-25 15:37:25 Saturday Night Palsy, also known as Radial Neuropathy, is caused by getting rip roaringly drunk and falling asleep in an unusual position such that the radial nerve is compressed. Most commonly this happens when the patient falls asleep with one arm over the back of a chair putting pressure on the radial nerve, which runs alongside the inside of the arm, by compressing the brachial plexus.

Sent to 19142603729 at: 2016-07-28 19:30:35 I hate to say it but that is a huge fuckup on his part. Especially when you have a dog prone to running away
Received from 19142603729 at: 2016-07-28 19:30:51 If he is in the mountains that is a good likelihood
Received from 19142603729 at: 2016-07-28 19:31:01 Yes but the argument could then be made that Jessica knew for some time now and also did nothing

Sent to 19142603729 at: 2016-07-28 19:34:14 I told her to let some time pass and if nothing turns up - you get a little chow puppy
Sent to 19142603729 at: 2016-07-28 19:36:16 Yeah but if he isnt wearing tags then nothing will turn up. If they wanna find him they have to hit the pavement hard. As well as hike if they think he's in the mountains
Sent to 19142603729 at: 2016-07-28 19:36:40 And I wouldnt get a chow. Those dogs are just awful

Received from 19142603729 at: 2016-07-28 19:42:26 Jess is convinced he is gonna hate the house now
Sent to 19178211113 at: 2016-07-28 19:45:57 I researched everything - and the best option I found is lostmydoggie.com. It has several options for posting and

finding missing dogs.
Received from 19178211113 at: 2016-07-28 19:50:06 Another option is visiting the Agoura Animal Care Center. It services Malibu and Topanga and the surrounding areas. They won't pick up the phone (it's only got an automated msg), but I checked online to see if they have posted a pic of Rufus (they haven't). Still the website recommends coming in person to check.
Sent to 19142603729 at: 2016-07-28 19:55:25 He may, but he's gotta be a man and handle it. They just bought it so they dont have many options and bitching about it wont solve anything
Sent to 19178211113 at: 2016-07-28 19:55:31 Petkey.org is another great resource. It lists posted found / lost pets. You put your zip code in for searching. It also gives a comprehensive list of shelters and vets. Between that lostmydoggie.com and checking the local shelter - I haven't seen any other avenues to explore.

Sent to 18037677187 at: 2016-07-30 14:16:28 Saturday Night Palsy, also known as Radial Neuropathy, is caused by getting rip roaringly drunk and falling asleep in an unusual position such that the radial nerve is compressed. Most commonly this happens when the patient falls asleep with one arm over the back of a chair putting pressure on the radial nerve, which runs alongside the inside of the arm, by compressing the brachial plexus.

Received from 19178211113 at: Data Missing Its too late?
Received from 19178211113 at: 2016-08-02 14:16:15 That is not what it means
Received from 19178211113 at: 2016-08-02 14:16:38 A blinking / flashing smiley face means high fertility. Aka going to ovulate in the next few days.
Received from 19178211113 at: 2016-08-02 14:16:41 It isnt the flashing one
Data Missing 19178211113 at: 2016-08-02 14:16:47 Its the still one
Data Missing 19178211113 at: 2016-08-02 14:17:00 A static smiley face means peak fertility. Aka going to ovulate in the next 24-48 hours
Received from 19178211113 at: 2016-08-02 14:17:19 Now since you haven't been testing its possible you ovulated already
Sent to 15717218115 at: 2016-08-02 14:17:22 Yes I'm at work.
Sent to 19178211113 at: 2016-08-02 14:17:31 Or it could mean you ovulate tomorrow.
Received from 15717218115 at: 2016-08-02 14:17:37 I guess I crated a label for wren you're home.
Received from 19178211113 at: 2016-08-02 14:17:49 Basically it means you have a high amount of LH in your system. Which is correlated to ovulation.
Sent to 19178211113 at: 2016-08-02 14:18:06 If you have sex and get pregnant it will likely be a boy

Sent to 18034141483 at: 2016-08-04 13:35:44 Hm. Well I certainly hope it's not the case, but if it is...then it's best to get it diagnosed now so proper steps can be made
Sent to 17033381112 at: 2016-08-04 13:35:46 I am almost positive I have low

levels and that is a serious issue that prevents pregnancy but is easily fixed if diagnosed

Sent to 18034141483 at: 2016-08-04 13:36:58 I just don't want to waste my time for months and then have it told to me when I already suspect as much

Received from 18034141483 at: 2016-08-04 13:44:33 Yes but I still suspect I have low progesterone.
Sent to 18034141483 at: 2016-08-04 13:44:53 The reason it was longer could be Bc my body tried to be pregnant.
Sent to 18034141483 at: 2016-08-04 13:46:01 A lack of enough progesterone could force my body to menstruate
Sent to 18034141483 at: 2016-08-04 13:47:37 Well you're an expert researcher, so I'm sure your instincts are justifiable. Best to have an appt to clear things up

Received from 18034141483 at: 2016-08-04 13:57:13 Yea well mine have been like 2, maybe 3 days. And my LP averages 12.
Received from 18034141483 at: 2016-08-04 13:57:33 So maybe I'm in the same boat. I'll start temping next month
Sent to 18034141483 at: 2016-08-04 13:58:01 It's certainly possible. It's relatively common.

Sent to 17034991766 at: 2016-08-05 19:00:16 You have to make a decision. No one else can do it. Not me, Beth, Cj, your sister.... Only you.
Sent to 17034991766 at: 2016-08-05 19:00:32 You are the only person who knows what will make you happy
Sent to 17034991766 at: 2016-08-05 19:00:46 I can tell you what I think. But it's not my life.

Sent to 17034991766 at: 2016-08-05 19:02:03 Life offers us opportunities. We have to decide how to use them
Sent to 17034991766 at: 2016-08-05 19:02:25 And I think you should go along with the path being offered to you
Received from 17034991766 at: 2016-08-05 19:02:59 Not going is fighting against what is naturally occurring
Sent to 17034991766 at: 2016-08-05 19:03:26 What if the whole reason you were meant to move to Seattle was to meet him? Your life partner?
Sent to 17034991766 at: 2016-08-05 19:04:12 I say go with it. Life is a roller coaster. Throw your hands up and enjoy the ride.
Sent to 17034991766 at: 2016-08-05 19:05:19 I know it's just that's so much easier said than done! It's hard and scary to choose moving to Atlanta FOR HIM. And to rely so heavily on fate when I'm much more cynical than that
Sent to 17034991766 at: 2016-08-05 19:05:34 This is not permanent.
Sent to 17034991766 at: 2016-08-05 19:05:42 You can move back. Very. Easily.
Sent to 17034991766 at: 2016-08-05 19:05:54 Is it that easy?
Sent to 17034991766 at: 2016-08-05 19:06:00 YES!
Sent to 17034991766 at: 2016-08-05 19:06:18 And just to be clear - you're moving to Atlanta for YOU

Sent to 17034991766 at: 2016-08-05 19:06:35 And he is in Atlanta
Sent to 17034991766 at: 2016-08-05 19:07:18 And all fate is - is the offer of choices. You have to choose the path.
Received from 17034991766 at: 2016-08-05 19:07:47 You can be a cynic. But look around - people meet in bizarre ways.
Sent to 17034991766 at: 2016-08-05 19:08:15 Broughan and becca met on a fucking train! I met Chris Bc my sister directed a movie!
Sent to 17034991766 at: 2016-08-05 19:08:29 Cj almost took a job at a different restaurant
Sent to 17034991766 at: 2016-08-05 19:08:55 We all make choices that result in us living our life.
Sent to 17034991766 at: 2016-08-05 19:10:05 If you hate Atlanta - you pack a bag

and move back to Seattle. I bet you that you could even get the pizza job back by crying and pleading. They love you. And you don't have a lease - yet. So you could easily pick up right where you left off.
Sent to 17034991766 at: 2016-08-05 19:11:16 I say: embrace this opportunity. Then take a fucking chill pill, tell him that you were initially a little freaked out but the more you thought about it that the more you realized it could be a fun adventure. And you want to experience it with him.
Sent to 17034991766 at: 2016-08-05 19:11:34 And then ENJOY THE RIDE.

Sent to 17038995561 at: 2016-08-08 12:53:03 So weeks ago he gave me his phone pw, i went in fb to see if joey contacted him
Received from 17038995561 at: 2016-08-08 12:53:23 Then saw that about a week after lee wanted to be monogamous/in a relationship and right around the first time we had sex
Received from 17038995561 at: 2016-08-08 12:54:26 Saw what
Received from 17038995561 at: 2016-08-08 12:54:26 About 2+ weeks ago, he sent racy messages to a girl he clearly fucked abroad
Received from 17038995561 at: 2016-08-08 12:54:31 And had been talking to before we met
Sent to 17038995561 at: 2016-08-08 12:54:37 Oh. Okay
Received from 17038995561 at: 2016-08-08 12:55:19 So what are you asking
Received from 17038995561 at: 2016-08-08 12:55:47 She messgd him randomly "I'm going to fuck you before you get married"
Sent to 17038995561 at: 2016-08-08 12:55:49 He goes "thinking about the time you wore x lingerie and i did x" but with more detail that makes me sick to recount
Received from 17038995561 at: 2016-08-08 12:56:23 Around the 19th-21st of July
Received from 17038995561 at: 2016-08-08 12:56:28 Okay
Sent to 17038995561 at: 2016-08-08 12:57:51 I was furious but calmed down and casually asked him if he's been sexting or hitting on anyone since he said he wants to be in a relationship before know
Sent to 17038995561 at: 2016-08-08 12:57:52 ing me well enough
Received from 17038995561 at: 2016-08-08 12:59:01 i didn't say i saw anything but He admitted to sending flirty messages and got upset and was like i haven't touched not do i want to touch anyone else i

Received from 17038995561 at: 2016-08-08 12:59:02 only want to be with you
Received from 17038995561 at: 2016-08-08 12:59:38 And i was like oh ok, maybe we should evaluate whether we should be serious since we moved so quickly
Sent to 17038995561 at: 2016-08-08 13:01:30 He got really upset and was like NO why are you saying this im not sending any sexts and i don't want you to its really inappropriate
Received from 17038995561 at: 2016-08-08 13:01:49 Meanwhile I'm basically biting my tongue off but managed not to say what i saw
Received from 17038995561 at: 2016-08-08 13:02:12 What do you think of this situation?
Received from 17038995561 at: 2016-08-08 13:08:29 I think you never should have said anything
Received from 17038995561 at: 2016-08-08 13:08:46 You invaded his privacy and then tested him.

Received from 17038995561 at: 2016-08-08 13:09:19 Yea so I think you're the one in the wrong

Sent to 17038995561 at: 2016-08-08 13:11:07 You shouldn't have asked for his pw Bc of Joey. That's crazy right there. You need to relax and stop trying to control everything
Received from 17038995561 at: 2016-08-08 13:11:16 So i should just forget i ever saw it
Sent to 17038995561 at: 2016-08-08 13:11:19 That's what i was thinking
Received from 17038995561 at: 2016-08-08 13:11:23 But it's shady.
Received from 17038995561 at: 2016-08-08 13:11:46 I mean I don't know what to tell you to do. Bc I don't know how you are feeling
Sent to 17038995561 at: 2016-08-08 13:12:08 I think the most fucked up part is that you asked him after you KNEW
Sent to 17038995561 at: 2016-08-08 13:12:14 He told me i didn't ask!
Received from 17038995561 at: 2016-08-08 13:12:20 Basically inviting him to lie to you
Received from 17038995561 at: 2016-08-08 13:12:34 You asked if he's been we ting
Received from 17038995561 at: 2016-08-08 13:12:38 Sexting
Sent to 17038995561 at: 2016-08-08 13:12:49 Knowing full well the answer was yes
Sent to 17038995561 at: 2016-08-08 13:13:27 You were trying to trap him. I think the question is what the hell were you self sabotaging for
Received from 17038995561 at: 2016-08-08 13:13:59 You have zero opinion about his behavior?
Sent to 17038995561 at: 2016-08-08 13:14:13 Zero.
Sent to 17038995561 at: 2016-08-08 13:14:36 You never should have seen it. So it's fruit of the poisonous tree
Sent to 17038995561 at: 2016-08-08 13:14:54 I clearly have trust issues. Ripe for therapy Wednesday
Sent to 17038995561 at: 2016-08-08 13:15:00 What people do in private is PRIVATE. And entitled to be treated that way.
Sent to 17038995561 at: 2016-08-08 13:15:18 Hah way to lawyer me
Received from 17038995561 at: 2016-08-08 13:15:32 Yea I mean sounds like you don't want to be in this relationship if you are already trying to test him and find a way out
Sent to 17038995561 at: 2016-08-08 13:16:08 Plus I think you are ignoring the issue of you getting his password. That's crazy! You shouldn't be doing that either.
Sent to 17038995561 at: 2016-08-08 13:16:08 Yeah
Received from 17038995561 at: 2016-08-08 13:16:12 You're right
Sent to 17038995561 at: 2016-08-08 13:17:03 On the one hand you're saying maybe

we are going to fast and should slow down. But the only reason you are saying that is Bc you got his password in the first place and went snooping.
Received from 17038995561 at: 2016-08-08 13:17:21 And having each other's passwords is part of a serious relationship.
Sent to 17038995561 at: 2016-08-08 13:17:27 So you are inconsistent
Sent to 17038995561 at: 2016-08-08 13:18:57 This goes back to my initial concern, which is You. That you have some serious emotional stuff you need to get in check in order to be in an emotional relationship.
Received from 17038995561 at: 2016-08-08 13:19:12 He randomly TOLD ME HIS PASSWORD
Received from 17038995561 at: 2016-08-08 13:19:27 I would never ever ask
Sent to 17038995561 at: 2016-08-08 13:21:56 Okay fine. Fair. But all the same. I know you know you have trust issues. But that's not a free pass. You have to do the work and try to be emotionally healthy.
Sent to 17038995561 at: 2016-08-08 13:21:50 Yeah
Sent to 17038995561 at: 2016-08-08 13:21:51 No this is good, now i can work through it in therapy otherwise i never would have realized I'm this nuts
Sent to 17038995561 at: 2016-08-08 13:21:57 Relationships are 50% compatibility and 50% timing. I worry about the latter with you. Bc I worry you feel you have met someone you are compatible with and therefore are trying to rush thru your emotional growth to MAKE the timing right.
Received from 17038995561 at: 2016-08-08 13:22:28 And you can't make it right. It has to evolve naturally. You have to do the work
Received from 17038995561 at: 2016-08-08 13:22:40 And I know you are trying.
Sent to 17038995561 at: 2016-08-08 13:24:36 But you can't skip steps.
Received from 17038995561 at: 2016-08-08 13:25:03 I'm not trying to i just didn't know what they are!
Received from 17038995561 at: 2016-08-08 13:25:58 No I mean I know you are trying to do the work.
Sent to 17038995561 at: 2016-08-08 13:26:19 I'm not trying to push toward any end FOR ONCE. truly trying to see if we're compatible
Sent to 17038995561 at: 2016-08-08 13:26:37 I'm not trying to make us right
Sent to 17038995561 at: 2016-08-08 13:26:38 For once I'm really thinking objectively and trying to figure out what i want and if this works
Sent to 17038995561 at: 2016-08-08 13:26:39 You can't snoop. Period hard stop.
Received from 17038995561 at: 2016-08-08 13:26:48 I agree
Sent to 17038995561 at: 2016-08-08 13:27:21 And I put myself in a shit position, not doing this again.
Received from 17038995561 at: 2016-08-08 13:27:48 The information you must use to judge must be publicly accessible so to speak. And I'll ruin the surprise - you'll always want more info, more of a guarantee. But it just doesn't work that way
Received from 17038995561 at: 2016-08-08 13:28:44 You are a crazy girl. But you are also a smart girl. Let the latter win out.

Sent to 17038995561 at: 2016-08-08 13:33:51 How is that even a logical statement
Sent to 17038995561 at: 2016-08-08 13:35:36 Okay Bc to me it's a tangential issue not closely related enough to the primary issue. Prejudicial value outweighs the probative. Therefore rendered irrelevant.
Sent to 17038995561 at: 2016-08-08 13:38:32 The irony being - I'm overly logical.
Received from 17038995561 at: 2016-08-08 13:40:26 The sexts are not closely enough related to the primary issue of his feelings for me??

Sent to 17038995561 at: 2016-08-08 13:41:37 Yes if loving her meant upsetting or disrespecting you or vice versa

Sent to 15407619950 at: 2016-08-08 17:13:57 I'm on the plane and my stubborn husband is at the gate.
Received from 18034141483 at: 2016-08-08 17:14:20 Why??
Sent to 18034141483 at: 2016-08-08 17:14:21 Hahaha
Received from 15407619950 at: 2016-08-08 17:14:22 Had to check bag, wouldn't check in online, wouldn't asked to be rushed thru security.
Received from 15407619950 at: 2016-08-08 17:15:11 There are literally extra seats all over this plane, doors are open, and he won't ask gate agent to be rebooked on this flight.
Sent to 18032602956 at: 2016-08-08 17:15:33 Lol
Received from 18032602956 at: 2016-08-08 17:15:40 What is wrong with him?
Received from 15407619950 at: 2016-08-08 17:15:52 He is so stubborn!!!
Received from 18034141483 at: 2016-08-08 17:16:14 That makes very little sense
Received from Data Missing at: 2016-08-08 17:16:17 Wait so he isn't going to take the flight??
Received from 15407619950 at: 2016-08-08 17:17:37 Nope. He got rebooked while waiting at he reservation desk. I kept telling him he'd make it thru, I talked to the gate agents saying he'd been in line for 3 hrs, etc. He was dead set on being rebooked for 5pm flight and not trying to get thru security.
Received from 13144358004 at: 2016-08-08 17:17:53 Wait so u are going to take off, get home and won't get on the plane??
Received from 18034141483 at: 2016-08-08 17:18:08 All to check a bag....
Received from 15407619950 at: 2016-08-08 17:18:10 We split up bc I didn't check a bag and already checked in online.
Received from Data Missing at: 2016-08-08 17:18:43 How will you two get home? Separately?
Sent to 15407619950 at: 2016-08-08 17:18:47 I told him to check in online and have them plane side check his bag - it's not that much bigger than standard bag. We all had to plane side check anyway.
Received from 13144358004 at: 2016-08-08 17:18:49 So then what happens when u get to Milwaukee? Will u have to wait for him?
Received from 15407619950 at: 2016-08-08 17:19:19 He refused to try and check in online and go through security.

Received from Data Missing at: 2016-08-08 17:19:31 Why...? Does he like hanging out at airports?
Received from 15407619950 at: 2016-08-08 17:19:33 No, I'll already be home before he even takes off from here.
Sent to 13144358004 at: 2016-08-08 17:19:36 That is totally crazy
Received from 13144358004 at: 2016-08-08 17:20:02 Do u have two cars there? I would punch him in the face when he got home.
Received from 15407619950 at: 2016-08-08 17:20:17 I've got to get the dog. And try and find his car somewhere in the parking lot. We traveled separately from Atown. I have his truck keys.
Received from 13144358004 at: 2016-08-08 17:20:27 Or he may try to punch you 😂😂😂 but seriously what does he think he's winning here??
Sent to 15407619950 at: 2016-08-08 17:21:08 Now I'll have to get him from airport at around 10. He told me to go on. I offered to stay. But this is really his fault. I was already mad at him for paying for check bag before all this. He never learns.
Received from 13144358004 at: 2016-08-08 17:21:15 I figured you would have travelled separate in beginning. So are u gonna make him take a cab?
Received from 13144358004 at: 2016-08-08 17:21:31 Haha
Received from 15407619950 at: 2016-08-08 17:21:33 I'll pick up his stubborn ass.
Received from 13144358004 at: 2016-08-08 17:22:33 Remind me to never travel with either of you. Nothing good ever happens
Received from 18032602956 at: 2016-08-08 17:23:48 Second that
Received from 15407619950 at: 2016-08-08 17:24:07 Delta's ticket scanners didn't work so they told us to just sit anywhere. It's a madhouse in here as the flight attendants try and figure out where all the passengers are seated and if everyone's here or not. Never travel with me!!!
Received from 17178086846 at: 2016-08-08 17:33:23 Hii!
Received from 17178086846 at: 2016-08-08 17:33:50 I'm good and had a great trip. Parent came to town right when I got back and still here so still haven't unpacked!

Received from 17178086846 at: 2016-08-08 17:39:32 No worries. I just wanted to make sure that no news wasn't automatically bad news. Or if it was to just know that

Received from 15407619950 at: 2016-08-11 17:50:21 I'm with Cj. There's a slight chance you could go into labor, be recovering from csection, etc

Received from 13144358004 at: 2016-08-11 17:51:40 It will be fine. I won't be going into labor, that's too early. But if I do I just won't be there.

Received from 18034141483 at: 2016-08-11 17:52:20 I'd be totes bailing. Kinda surprised she even asked knowing your timeline
Received from 13144358004 at: 2016-08-11 17:53:27 I can't decline. And this is my second baby. So it's not as big of a deal as my first. Like his wedding takes super precedence as far as importance! They were joking what if I went into labor at the wedding. I said no one would know, Dexter and I would quietly disappear 😂
Received from 15407619950 at: 2016-08-11 17:54:24 I think you're fine either way. Bridesmaid or not, you're not the focal point anyway.
Received from 13144358004 at: 2016-08-11 17:54:47 If this were with max I would prob be feeling a lot different. But I do think she's super rude for making me do it!😡 apparently she asked my mom Bobbi and Mandy if she just shouldn't ask me and they all said nooooo, ask her! She'll be thrilled! So they r the assholes really.
Received from 13144358004 at: 2016-08-11 17:55:35 I'm def not worried about being a focal point. I will just be hiding in the back of everything. Fat and miserable
Received from 15407619950 at: 2016-08-11 17:56:18 My mom tried to get out of being a bmaid for my uncle's wedding last year but the bride wanted her to still be in it. She was a 67 year old grandmother of a bmaid! She hated it.

Received from cshand01@gmail.com at: 2016-08-11 20:06:32 anyway, I asked about work because I wasn't sure if jewelry window shopping would be too much to do before dinner. We can just meet at the restaurant or there is a David Yurman close by. I know you don't like Yurman but it's the only one open late. If it's too much, I can think of a way to it over the weekend. No pressure or stress either way ;-)

Received from 17038995561 at: 2016-08-13 15:41:19 He said it just didn't feel right. Chris thought he was funny at times but ultimately he talked about himself too much, he drank too much, and smoked too much. And he didn't like how he handled some of the social situations.
Sent to 17038995561 at: 2016-08-13 15:43:21 Chris said he thinks you're a total catch - that you're really beautiful and smart and successful and he thinks you deserve way more than he thinks Lee has to offer.

Sent to 17038995561 at: 2016-08-13 16:00:32 A bunch. The one that bothered me the most is when he asked us to go to that place and I was like nah nah I'm old. And he kept pushing and I was like no I don't like people and then he said he'd "be personally insulted" if we didn't come to that place. I just thought that was really aggressive and rude to not listen to what I was saying and then make me feel like I am insulting him if I don't do what he says. That's just not appropriate.
Received from 18034141483 at: 2016-08-13 16:01:16 Well you're a sweetheart. I will let you know once the inevitable AF visits.

Received from 17038995561 at: 2016-08-13 16:02:40 Chris didn't like how he got up to smoke constantly. And I guess Lee made some inappropriate comments about the check that bothered Chris.

Sent to 19178211113 at: 2016-08-13 17:42:11 Jeff asked dad if he wanted to pull money out of baxter, which i knew about, and dad's response was sure but good luck getting andi on board. Jeff mentioned it to me and said would andi be interested in a bridge loan if she made a couple hundred grand, i said i dunno i can ask her (i even told mom about it bc none of this was a secret)

Sent to 19179463469 at: 2016-08-13 17:42:16 Call me back please I have no idea what's going on here. I never signed a document with your name on it never would and I just heard about this from Jess. So if u have a document with a forged signature on it I would love to see that. I would never take out a loan on an apartment I don't own or forge a signature on a document to get one

Received from 19178211113 at: 2016-08-13 17:43:48 First of all - Baxter is not Jeffs. That is DISGUSTING that he is trying to leverage a property that's not his.

Sent to 19142603729 at: 2016-08-14 00:15:02 Why You Don't Want To Let Your Dog's Nails Get Too Long -Long nails can actually be painful for your dog when they strike the pavement with each step. -Long nails can make it difficult for your dog to have a good grip as they walk along slick floors (hardwood, linoleum, etc.) -Long nails are more likely to get hung up on things and torn off. (Ouch!) -Untrimmed nails can curl and grow into your dog's skin or paw pads, resulting in an infection and pain. This is true of all nails, but especially the dewclaws.

Sent to 19178211113 at: 2016-08-14 15:02:35 Hi there. I still havent been able to get in touch with mom as dad has intervened all contact with her. But how did it go when they called you
Sent to 19178211113 at: 2016-08-14 15:03:15 Did they admit they knew about it
Received from 19178211113 at: 2016-08-14 15:04:18 By the way, i think i told chris this, but dad said to me on the phone yesterday that "of course he knew

about it, mom was calling to find out IF youd be ok with the idea, not if you knew it was happening"
Sent to 19178211113 at: 2016-08-14 15:04:41 They explained that they are not aware of forgery and that Jeff asked dad about before. But dad said he told him and did NOT greenlight him taking out paperwork on the loan. And he also said he did not have mom call me to ask for me for my permission.
Sent to 19178211113 at: 2016-08-14 15:04:46 Bc it was never going to happen without your permission.
Sent to 19178211113 at: 2016-08-14 15:05:03 That's the exact opposite of what dad told me.
Received from 19178211113 at: 2016-08-14 15:05:06 Omg he literally said that to me yesterday
Received from 19178211113 at: 2016-08-14 15:05:10 I swear on bay
Received from 19178211113 at: 2016-08-14 15:05:14 You have to believe me

Received from 19178211113 at: 2016-08-14 15:05:22 You believe Dad???
Sent to 19178211113 at: 2016-08-14 15:05:33 I was on a call with mom, dad and Chris.
Received from 19178211113 at: 2016-08-14 15:05:37 I know what I heard.
Received from 19178211113 at: 2016-08-14 15:06:45 I asked him point blank was mom calling to ask my permission - and he said absolutely not.
Received from 19178211113 at: 2016-08-14 15:06:55 He said he would never put mom in the middle.
Sent to 19178211113 at: 2016-08-14 15:07:08 Not permission, he said mom called to ask you how you would feel about it
Received from 19178211113 at: 2016-08-14 15:07:12 She was calling Bc he wanted to make sure I hadn't given Jeff permission directly.
Sent to 19178211113 at: 2016-08-14 15:07:28 Bc dad was never on board w the loan.
Sent to 19178211113 at: 2016-08-14 15:07:54 He said to me on the phone yesterday that he had mom call you bc if you were ok with it then he wasnt going to block it from happening
Sent to 19178211113 at: 2016-08-14 15:07:57 And he was surprised that paperwork was being drawn up
Sent to 19178211113 at: 2016-08-14 15:08:09 No. Not what he told me.
Received from 19178211113 at: 2016-08-14 15:08:15 Thats what he told me
Sent to 19178211113 at: 2016-08-14 15:08:29 And he acted like you were exaggerating and overreacting about the whole thing
Sent to 19178211113 at: 2016-08-14 15:08:39 I don't care what you think you heard
Received from 19178211113 at: 2016-08-14 15:08:50 I dont think thats what i heard. I know thats what i heatd
Sent to 19178211113 at: 2016-08-14 15:08:56 I have now had several conversations that are all consistent
Sent to 19178211113 at: 2016-08-14 15:09:19 And the bottom line is Jeff is shady
Received from 19178211113 at: 2016-08-14 15:09:23 Well first of all you now know NO paperwork was forged
Received from 19178211113 at: 2016-08-14 15:09:30 And that dad knew about it
Sent to 19178211113 at: 2016-08-14 15:09:31 Incorrect.
Received from 19178211113 at: 2016-08-14 15:09:44 So neither of those are inconsistent with what you thought you heard
Sent to 19178211113 at: 2016-08-14 15:09:49 They don't know if forgery occurred. I'm looking into that separately.
Sent to 19178211113 at: 2016-08-14 15:09:50 I mean consisent

Received from 19178211113 at: 2016-08-14 15:10:40 Nope. Not how it's been explained to me
Received from 19178211113 at: 2016-08-14 15:10:50 They denied that?
Received from 19178211113 at: 2016-08-14 15:10:58 I've been told dad is meant to supervise Jeff Bc he is a liability
Received from 19178211113 at: 2016-08-14 15:11:17 There is a contract that says dad and him are 50/50 business partners
Sent to 19178211113 at: 2016-08-14 15:11:29 This is beyond fucked up
Received from 19178211113 at: 2016-08-14 15:11:41 I am shocked that you are doing this when you know how manipulative dad is
Sent to 19178211113 at: 2016-08-14 15:11:51 I also know Jeff is a liar!
Received from 19178211113 at: 2016-08-14 15:11:53 I have been there for you
Sent to 19178211113 at: 2016-08-14 15:11:57 I dont lie to you
Received from 19178211113 at: 2016-08-14 15:12:05 You get lied to by Jeff.
Received from 19178211113 at: 2016-08-14 15:12:14 But i have been present for the whole thing
Received from 19178211113 at: 2016-08-14 15:12:21 It has been an open discussion
Sent to 19178211113 at: 2016-08-14 15:12:22 I'm sorry but I don't trust your judgment

Received from 19178211113 at: 2016-08-14 15:12:57 I'm not siding with anyone. This is Chris and me living our lives.
Sent to 19178211113 at: 2016-08-14 15:13:09 Dad says that you always have to have someone to hate and you shifted from jeff to me to him so he is probably trying to shift you hating jeff so he can get a window back in

Sent to 19178211113 at: 2016-08-14 15:13:48 I don't hate anyone. And I'm not buddies with dad.
Received from 19178211113 at: 2016-08-14 15:13:49 No it isnt bc jeff didnt do any of this and dad now told me that was explained to you
Sent to 19178211113 at: 2016-08-14 15:14:46 I had a conversation with dad. And I have told you - the only miscommunication was about forgery. It may be there was none, and mom and dad aren't aware of any
Received from 19178211113 at: 2016-08-14 15:15:49 Until I believe there is an objectively reasonable purpose why dad would try to convince me Jeff is a crook, I think I'm going w the simplest answer which is Jeff is shady.
Sent to 19178211113 at: 2016-08-14 15:16:47 Dad said he told Jeff no right off the bat. And Jeff said what about if Andrea wants to do it. And dad said he said whatever you can try. And dad told me he said he said that Bc he knew I would say no.
Sent to 19178211113 at: 2016-08-14 15:17:31 When it was discovered that paperwork was being drawn up and title was being checked without anyone even talking to me

Sent to 19179463469 at: 2016-08-15 15:44:22 Hey Andi just wanted to say I'm really sorry for everything that went down. I made a bad decision considering Baxter and a worse decision when I ran the title before checking with you. The reason I did that was bc I didn't want to bother you with the proposition before knowing if it was possible but clearly that was a wrong choice. But I promise I didn't take it any further than that. I care very much about you and love you like my little sis and hope we can move past this

Received from 17034991766 at: 2016-08-15 15:48:22 My least favorite move was at the end of dinner - he was like you should come to this breaking dance spot with us. And I was like no no thank you we are old. And he was like cmon you have to. And I was like no really I hate people but have you guys have fun. And he was like no you HAVE to come, if you don't come I will be personally insulted, so you must come.
Sent to 17034991766 at: 2016-08-15 15:49:26 I was like wtf dude. I just said no several times and I don't know you and I'm not going to a fucking break dancing club. But Laura gave me these pleading eyes. So I literally went for 5 mins and then left.

Sent to 17034079714 at: 2016-08-15 16:10:33 Yeah that is no good. I did that recently but it helped. I have been the same weight for years basically since gaining weight post wedding
Received from 17034079714 at: 2016-08-15 16:11:27 But I'm a solid 5 lbs heavier and it's not going anywhere and I thought it may have been depression weight post D&C but apparently it's not uncommon to gain 5 in the first trimester
Sent to 17034079714 at: 2016-08-15 16:12:29 So I don't feel totally terrible about it anymore
Sent to 17034079714 at: 2016-08-15 16:12:55 Because I was 12 weeks but obviously being sad hasn't helped to shift the weight

Sent to 17038995561 at: 2016-08-17 17:08:38 Devan just called me. Said he had to ask if I have any connection to my dad on paper. Like if I have worked for him or if I could be tied to this Ukraine stuff in any way. Like the money trail
Sent to 17038995561 at: 2016-08-17 17:08:51 Which I haven't and there's no connection.
Sent to 17038995561 at: 2016-08-17 17:09:07 But like, obviously the article is making them nervous about me
Sent to 17038995561 at: 2016-08-17 17:09:50 He said as long as I am comfortable with a background check it should be fine. And he tried to assure me that he'd make sure this wouldn't affect their decision making. And how he has heard nothing but positive things about me.
Received from 17038995561 at: 2016-08-17 17:10:26 But I just call bullshit. Bc the whole the reason they are concerned is Bc they are a small hedge fund and they have to be worried about scaring off investors.

Sent to 18034141483 at: 2016-08-17 17:15:10 2. It's TOTAL bullshit. My dad was never laid by the Ukrainian govt. And the whole reason this is even news is bc we know for a fact that Hillary hired someone to go over to Ukraine to stir the pot and get this in the press. Bc apparently politics has no rules.
Sent to 18034141483 at: 2016-08-17 17:15:16 *never paid

Sent to 19142603729 at: 2016-08-17 17:16:09 I know sweetie. I think you'll be okay as long as Devan really emphasizes that you are not connected paper wise to your Dad, but you have purposely distanced yourself from him. Hopefully he can stress that they are safe and you shouldn't be punished for his problems.

Sent to 19142603729 at: 2016-08-17 17:18:55 I know it does. I can't imagine and I feel awful for you. Sent to 17178086846 at: 2016-08-17 17:43:20 Hey just wanted to reiterate that there are no ties whatsoever between myself and my dad. I just checked in with my family to make sure there wasn't something that I wasn't thinking of. But there is nothing - there are no trusts, no property, no connection in any way, other than our blood.
Received from 19142603729 at: 2016-08-17 17:44:10 I think it will be.

I know that sounds crazy, but I've definitely had my kids eating a lunch while going thru the store and they also have been know to grab things they like and sneak them into the cart. Totally feasible in my world. Don't judge. 😉

Sent to 19142603729 at: 2016-08-17 19:51:16 It means my body is still growing the follicle and it hasn't been released in ovulation yet

Sent to 18034141483 at: 2016-08-18 13:44:09 I've decided that if I'm not pregnant this month and it doesn't work next either, I'm booking Patrick and I tickets to Italy in April.
Sent to 18034141483 at: 2016-08-18 13:44:30 It's a major silver lining that makes me very happy
Received from 18034141483 at: 2016-08-18 13:45:51 Wait by what if you get pregnant next month?
Received from 18034141483 at: 2016-08-18 13:46:09 Although in general I think that's a good plan
Sent to 18034141483 at: 2016-08-18 13:46:32 Also I have news about situation (I'm def not pregnant)
Received from 18034141483 at: 2016-08-18 13:46:56 Well if I get pregnant next month, I would be due in June. That's too close to April.
Received from 18034141483 at: 2016-08-18 13:47:14 So essentially any due date July or later, would be totally fine for a euro vaca
Received from 18034141483 at: 2016-08-18 13:47:27 In the Spring.
Sent to 18034141483 at: 2016-08-18 13:47:33 Anyways what's the news?
Sent to 18034141483 at: 2016-08-18 13:47:59 So essentially if you aren't pregnant this month or next month, you are headed to Italy.
Sent to 18034141483 at: 2016-08-18 13:48:03 Can we come?
Received from 18034141483 at: 2016-08-18 13:50:21 Duh
Received from 18034141483 at: 2016-08-18 13:50:33 I'm thinking Cinque Terre
Received from 18034141483 at: 2016-08-18 13:50:52 Basically, it sounds like it's gonna be a tough process to get pregnant. They aren't ready to say I have PCOS, but I have some things that could be consistent w "a variant of PCOS". But they haven't seen symptoms for long enough. Like whether this cycle is indicative or a fluke.
Received from 18034141483 at: 2016-08-18 13:51:19 But I'm currently in the follicular phase. Which is pre-ovulation.
Sent to 18034141483 at: 2016-08-18 13:51:54 Meaning you didn't O a couple weeks ago when you thought you did?
Sent to 18034141483 at: 2016-08-18 13:51:59 The fact that I had the opk tell me I

was ovulating does not mean I ovulated. They think I could have resting LH, which would show a false positive
Received from 18034141483 at: 2016-08-18 13:52:31 I am having a pretty emotional morning
Received from 18034141483 at: 2016-08-18 13:53:30 Basically, Bc we can't necessarily trust the OPKs - we should just have sex frequently.
Sent to 18034141483 at: 2016-08-18 13:53:36 A resting LH? What about the flashing smiles leading up to it
Sent to 18034141483 at: 2016-08-18 13:53:54 It's reading hormones.
Received from 18034141483 at: 2016-08-18 13:54:47 They are making this speculation after looking at my ovaries and blood work. They emphasize its too soon to say and let's wait and see
Sent to 18034141483 at: 2016-08-18 13:55:55 So basically I have to wait to get my period. And have sex in the meantime in case I do ovulate. And if I don't get pregnant or my period in 30 days they will like make me get my period to like reset my cycling sort of
Sent to 18034141483 at: 2016-08-18 13:58:28 They said everything looks normal in my hormone levels and ovaries for the follicular phase. So that's why they want to wait and see. Bc I haven't had irregular periods previously and nothing looks off base.
Sent to 18034141483 at: 2016-08-18 13:58:28 But yea it's cd36. So wtf. I dunno.
Received from 18034141483 at: 2016-08-18 13:58:02 Okay. So, unfortunately, you just don't know when you're ovulating
Sent to 18034141483 at: 2016-08-18 13:58:14 But you have a lot of eggs
Sent to 18034141483 at: 2016-08-18 13:58:52 So so they think you're about to ovulate?
Sent to 18034141483 at: 2016-08-18 13:59:08 It's just taken awhile to get there
Sent to 18034141483 at: 2016-08-18 14:01:08 They don't know if I am ovulating or not.
Sent to 18034141483 at: 2016-08-18 14:01:08 The fact that I have gotten my period makes them think I could have been. But they just don't know Bc that was prior to me coming in.
Received from 18034141483 at: 2016-08-18 14:01:34 And the lots of eggs thing is a symptom of PCOS. You're supposed to have about 10 in each ovary. I have 18 in the right, and 20 in the left.
Received from 18034141483 at: 2016-08-18 14:03:06 And I don't have a dominant follicle yet. Which is why they say I'm in the follicular phase. Once one follicle becomes bigger than the rest that's when your body expels it (ovulation) and it becomes the corpus luteam, ready for insemination
Received from 18034141483 at: 2016-08-18 14:03:40 Ok. So at this point, were in limbo
Received from 18034141483 at: 2016-08-18 14:03:43 Egg = follicle

Sent to 18034141483 at: 2016-08-18 14:05:33 And I get to ruminate on the fact that if I have PCOS I may have to do IUI to get pregnant.
Sent to 18034141483 at: 2016-08-18 14:04:16 You just have to start having sex what like every other day? And hope for your period soon

Received from 18059079815 at: 2016-08-18 17:44:06 I'm trying to wade through it piece by piece.
Sent to 18059079815 at: 2016-08-18 17:44:36 The fertility situation is an annoying wait and see.
Sent to 18059079815 at: 2016-08-18 17:44:46 My body is driving me crazy
Received from 18059079815 at: 2016-08-18 17:44:50 Yeah, that sucks, but I'm sure it'll all work out
Sent to 18059079815 at: 2016-08-18 17:44:55 Eh
Sent to 18059079815 at: 2016-08-18 17:46:19 I may have to do iui
Sent to 18059079815 at: 2016-08-18 17:46:37 Which is the thing where they shove a huge thing inside you to push semen into your cervix
Sent to 18059079815 at: 2016-08-18 17:46:47 Right
Sent to 18059079815 at: 2016-08-18 17:46:58 Which obviously isn't ideal but....would get the job done
Received from 18059079815 at: 2016-08-18 17:47:03 Bc I may have PCOS
Sent to 18059079815 at: 2016-08-18 17:47:13 It's still not clear
Sent to 18059079815 at: 2016-08-18 17:47:17 Oh wow really?
Sent to 18059079815 at: 2016-08-18 17:47:22 Yea
Received from 18059079815 at: 2016-08-18 17:47:37 You know what that is?
Received from 18059079815 at: 2016-08-18 17:48:08 Yeah I've heard of ovarian cysts
Sent to 18059079815 at: 2016-08-18 17:48:18 I only have some of the symptoms.
Sent to 18059079815 at: 2016-08-18 17:48:21 Unless there are like a bunch of different types I'm aware of this
Received from 18059079815 at: 2016-08-18 17:48:32 So they are saying I may have a variant of it
Sent to 18059079815 at: 2016-08-18 17:48:37 Bc it's too soon to say
Sent to 18059079815 at: 2016-08-18 17:48:44 *but it's
Received from 18059079815 at: 2016-08-18 17:48:45 Isn't it treatable?
Sent to 18059079815 at: 2016-08-18 17:49:03 It is something that can be assisted.
Received from 18059079815 at: 2016-08-18 17:49:03 I thought they could remove the cysts...it's painful but fixes the issue...?
Sent to 18059079815 at: 2016-08-18 17:49:14 Well so I don't have cysts.
Sent to 18059079815 at: 2016-08-18 17:49:37 But that could be Bc I was on birth control forever
Sent to 18059079815 at: 2016-08-18 17:49:44 That's how you treat it
Received from 18059079815 at: 2016-08-18 17:50:13 But it's hard to know whether I am headed that way or not. Hence the wait and see
Sent to 18059079815 at: 2016-08-18 17:50:46 Plus PCOS doesn't always mean you actually get cysts. It's a condition about how your ovary produce follicles. Which ultimately can result in cysts.
Received from 18059079815 at: 2016-08-18 17:50:53 Ah ok
Sent to 18059079815 at: 2016-08-18 17:51:56 at the most basic level - ovaries don't ovulate a follicle out to be inseminated.
Sent to 18059079815 at: 2016-08-18 17:52:21 They looked at my ovaries and I guess normally you can expect to see around 10 in each.
Sent to 18059079815 at: 2016-08-18 17:52:32 I had 20 in my left and 18 in my right.
Sent to 18059079815 at: 2016-08-18 17:52:54 Which means I'm making em. But not necessarily expelling them
Sent to 18059079815 at: 2016-08-18 17:53:09 No ovulation = no pregnancy.
Received from 18059079815 at: 2016-08-18 17:53:15 Right
Sent to 18059079815 at: 2016-08-18 17:53:38 So we shall see
Sent to 18059079815 at: 2016-08-18 17:53:50 I'm pretty upset

Sent to 18059079815 at: 2016-08-18 17:54:25 Of course I am the only one in my family this has happened to. Everyone else is fucking insanely fertile.
Sent to 18059079815 at: 2016-08-18 17:54:37 It's like backwards Darwinism.
Sent to 18059079815 at: 2016-08-18 17:55:21 Hahahahha

Sent to 17038995561 at: 2016-08-19 16:59:19 Yeaaaa I mean I hope it's that easy
Received from 17038995561 at: 2016-08-19 16:59:34 I am just worried about the whole thing.
Data Missing 17038995561 at: 2016-08-19 16:59:48 Like I'm just telling Mark they made me the offer. Not that I am accepting
Data Missing 17038995561 at: 2016-08-19 16:59:57 It's a few steps
Received from 17038995561 at: 2016-08-19 17:00:13 I am also working w Devan to tweak the package
Received from 17038995561 at: 2016-08-19 17:00:45 It is strange to tell him just that you have an offer unless you're negotiating with him
Sent to 17038995561 at: 2016-08-19 17:01:24 He specifically asked me to do this during my review last year. Said he really doesn't want me to just come to him after I have accepted something. But wants to be part of the discussion
Sent to 17038995561 at: 2016-08-19 17:01:57 Ah got it
Sent to 18034141483 at: 2016-08-19 17:01:58 That's so exciting!!
Sent to 18034141483 at: 2016-08-19 17:02:03 Damn when it rains, it pours
Sent to 17038995561 at: 2016-08-19 17:03:12 So like if I were thinking about job hunting he would want to come to him first and let him know
Received from 17038995561 at: 2016-08-19 17:04:27 So that's why I'm nervous Bc I don't want him to get weird that the first he is learning about it is once there is an offer on the table. But I am just going to be clear that I was NOT looking and this opportunity came to me. And I told them I was interested in hearing more but wasn't sure if it was going to be the right fit for me.
Sent to 17038995561 at: 2016-08-19 17:04:59 And now things have happened pretty

quickly and they have made me an offer and I am more seriously considering it now so I wanted to come to him immediately to get his input
Received from 17038995561 at: 2016-08-19 17:05:01 Sounds appropriate
Received from 17038995561 at: 2016-08-19 17:05:35 Hopefully I can get that all out in a clear way

Sent to 16317933382 at: 2016-08-19 23:12:05 So I got to the bottom of it, as I suspected my dad resigned from being the public face of the campaign. But is still very much involved behind the scenes.
Received from 16317933382 at: 2016-08-19 23:12:26 He felt he was becoming a distraction and that would ultimately take a toll on the campaign.

Received from 18034141483 at: 2016-08-21 23:30:00 There are two ways of looking at it
Sent to 18034141483 at: 2016-08-21 23:30:37 1. Can't trust it this cycle Bc I have a proven false positive already. So it's false positive again.
Received from 18034141483 at: 2016-08-21 23:31:04 However under that theory I wouldn't be ovulating at all
Received from 18034141483 at: 2016-08-21 23:31:40 2. Or since I got a false positive already, if I were to ovulate, this could be the true positive
Sent to 18034141483 at: 2016-08-21 23:32:26 Whatever the case - she said just have frequent sex. So we did.
Sent to 18034141483 at: 2016-08-21 23:36:48 You'll never miss it if you're banging all the time

Received from 18034141483 at: 2016-08-21 23:38:15 I feel like weekend sex, and then every 1-2 days during the week would get it done
Received from 18034141483 at: 2016-08-21 23:39:02 Ugh. We shall see.
Sent to 18034141483 at: 2016-08-21 23:47:15 Honestly this cycle is not really my ideal cycle to get pregnant. So if I don't get pregnant I won't be super bummed
Sent to 18034141483 at: 2016-08-21 23:47:59 Just cuz I don't like the idea of having a kid toooo close to our anniversary.

Sent to 18034141483 at: 2016-08-22 12:05:43 Isn't it so weird how you basically did the same thing two months in a row and one month it didn't work and then it did??
Sent to 18034141483 at: 2016-08-22 12:06:06 Or did you do something different?
Sent to 18034141483 at: 2016-08-22 12:11:03 No I think I pretty much did the same thing. Other than "the time" I think it worked, I didn't use pre-seed
Sent to 18034141483 at: 2016-08-22 12:11:14 Go figure
Sent to 18034141483 at: 2016-08-22 12:11:21 Oh really! Good to know
Sent to 18034141483 at: 2016-08-22 12:12:12 But the cycle before - didn't you have sex at about the same time? As in the static day

Sent to 18034141483 at: 2016-08-22 12:12:36 Yea but it could have been a sleeper girl sperm hanging out in the pressed from the weekend
Sent to 18034141483 at: 2016-08-22 12:12:44 Oh stop.
Received from 18034141483 at: 2016-08-22 12:13:00 So that Tuesday night, you used pre seed or no?
Received from 18034141483 at: 2016-08-22 12:13:10 No not Tuesday

Sent to 18034141483 at: 2016-08-22 12:13:23 I just got flashing
Received from 18034141483 at: 2016-08-22 12:13:46 That's great. I think you should use pressed all the time right??
Sent to 18034141483 at: 2016-08-22 12:14:07 I dunno. If it works out I will use it
Received from 18034141483 at: 2016-08-22 12:14:24 I can't use it constantly though. Not as much as I need to have sex
Sent to 18034141483 at: 2016-08-22 12:14:34 Yea that makes sense.
Received from 18034141483 at: 2016-08-22 12:15:06 My doc btw - she said you have sex the static day, the day after if you can (optional), and then you have sex the morning of the next day
Sent to 18034141483 at: 2016-08-22 12:15:19 So it your scenario - Tuesday and and Thursday morning.
Received from 18034141483 at: 2016-08-22 12:16:23 So if you didn't ovulate until Thursday, Friday maybe for you?
Sent to 18034141483 at: 2016-08-22 12:16:36 But I bet it was that Tuesday
Sent to 18034141483 at: 2016-08-22 12:16:57 I take that back. We had sex Saturday
Received from 18034141483 at: 2016-08-22 12:17:02 So it had to be Tuesday
Sent to 18034141483 at: 2016-08-22 12:17:07 Yea def then
Sent to 18034141483 at: 2016-08-22 12:17:25 Only difference is last month I had morning sex the day of static
Sent to 18034141483 at: 2016-08-22 12:17:35 This time it was a night of the static

Received from 13144358004 at: 2016-08-23 15:03:36 Ok I've done it! I officially cancelled our cable today. Question tho for those who have done it- how much do you then pay for your internet?
Received from 13144358004 at: 2016-08-23 15:03:48 Do you still get internet thru big cable co?
Received from 19142603729 at: 2016-08-23 15:06:45 I spoke with Colleen. She thinks I should take the job. And she also told me how we should take a trip and travel.
Received from 19142603729 at: 2016-08-23 15:07:03 Which I couldn't help but think of Napa.
Received from 18034141483 at: 2016-08-23 15:07:33 Yes we still get high speed internet available through Uverse. And then pay for Netflix and Hulu. Our monthly bill for all is $90
Received from 18034141483 at: 2016-08-23 15:08:04 I think $70 of that is internet
Received from 13144358004 at: 2016-08-23 15:08:51 See that makes me so mad too.

Our internet was 29.99 now magically it goes up to 59.99 😡. I just want to figure something else out for the internet portion
Received from 18034141483 at: 2016-08-23 15:09:13 Yep bc you're not bundling anymore
Sent to Data Missing at: 2016-08-23 15:09:42 Kenzie. The big wigs don't want to give you cheap Internet. There is no incentive for them to do so
Sent to 18034141483 at: 2016-08-23 15:09:41 You can probably get it lower if you buy your own router (usually a router rental is hidden somewhere in that price)
Received from 13144358004 at: 2016-08-23 15:09:45 Ya I told the lady that is why I'm cancelling in the first place. Because of that bullshit
Received from 13144358004 at: 2016-08-23 15:10:05 Well fuck them Andi! 👊
Received from Data Missing at: 2016-08-23 15:10:12 Hey man. I agree

Sent to Data Missing at: 2016-08-23 15:10:31 Just saying - don't drive yourself crazy bargain hunting. Cuz I don't think it exists
Received from 18034141483 at: 2016-08-23 15:11:04 Agreed with Andi. Can't live without Internet, and you shouldn't go too cheap on the speed BC you'll be streaming a lot more to watch tv
Received from 13144358004 at: 2016-08-23 15:11:27 I know that. It still makes me so mad 😡😡😡😡
Received from Data Missing at: 2016-08-23 15:11:46 If you want to buy your own router, consider the time capsule by Apple. It also wirelessly saves all your stuff as a back up every time you connect to Internet
Sent to 18034141483 at: 2016-08-23 15:11:54 Fuck the man kenz
Received from 13144358004 at: 2016-08-23 15:12:20 And do you know what the woman said to me in her last ditch attempt to get me to keep cable-"are you sure you don't need to speak with your husband before cancelling"
Sent to 13144358004 at: 2016-08-23 15:12:46 That just sounds too complicated

Sent to 13144358004 at: 2016-08-23 15:16:14 Omg. If Dexter handled our bills we would either cancel everything and "live off the land" or we would pay 100000 times more for everything

Sent to 18032602956 at: 2016-08-23 15:34:00 On the internet note - Comcast has taken a portion of everyone's wireless Internet and has made it open to the public so wherever you drive through Knoxville you have access to wireless if your Comcast subscriber. The downfall is that they are now charging us per wireless usage like our cell companies do - go over the limit and get charged.

Received from 18059079815 at: 2016-08-23 23:31:40 And you have to realize that food is SUPER expensive out there too
Sent to 18059079815 at: 2016-08-23 23:32:04 You are in the middle of nowhere and so you have to eat at the hotel
Received from 18059079815 at: 2016-08-23 23:32:33 You can go into town for dinners but you have to take the boat taxis which is more $$
Sent to 18059079815 at: 2016-08-23 23:32:42 Yea I mean, Katie and I have to pay for alcohol and food, but if that's all we're paying for whatever I'm cool with it
Received from 18059079815 at: 2016-08-23 23:33:16 I would fly economy and use the budget for hotel
Received from 14018641983 at: 2016-08-23 23:33:44 Because I have no pto built up and I took last Friday off (my first week) and I'm taking the next 2 Fridays off and then 6 days end of sept...I don't want to go in the negatives in pto

Sent to 18059079815 at: 2016-08-23 23:36:14 But I don't know Bc I didn't ever personally research. That's just what I have been told. That once you're there that Maldives is cheaper in all ways.
Received from 18059079815 at: 2016-08-23 23:36:51 Ehh, not all ways. It has all inclusive trips, which bora bora doesn't, but if you don't do those, the hotels are like 1100/night
Sent to 18034141483 at: 2016-08-23 23:36:52 What about Jan-Feb? I feel like with the holidays it's going to get too crazy. (That's my busiest time of year at work)
Received from 18059079815 at: 2016-08-23 23:36:55 And honestly 5 nights 6 days is enough in bora bora.

Received from 18034141483 at: 2016-08-24 14:12:14 Panic?? Why???
Sent to 18034141483 at: 2016-08-24 14:13:59 Um that I might bleed at any moment. That if this is a healthy pregnancy the only way this baby is coming out is through my vagina. That I have a lot of bills to pay AND saving to do in the next 9 months. That I won't get into a daycare.
Received from 18034141483 at: 2016-08-24 14:16:15 Okay let's unpack those one at a time.
Received from 18034141483 at: 2016-08-24 14:17:09 If you bleed it could be nothing, happens in totally healthy pregnancies. If it's something else, we will cross that bridge when we get there.
Received from 18034141483 at: 2016-08-24 14:17:42 If it's a healthy pregnancy, you are incredibly blessed and will have an adorable little blue eyed muffin to dote on.
Received from 18034141483 at: 2016-08-24 14:18:40 As for the physical birth - it's 24 hours max really right? You are a tough cookie. You can survive anything for that long
Sent to 18034141483 at: 2016-08-24 14:19:01 Plus you have the hips that are built for this. You're a natural.
Received from 18034141483 at: 2016-08-24 14:19:33 As for money - babies are not crazy expensive. You will have a shower and get all sorts of goods
Sent to 18034141483 at: 2016-08-24 14:20:04 And diapers are maybe $100 a month. You've got that easily.
Sent to 18034141483 at: 2016-08-24 14:20:44 Milk is free from your tete. And childcare - you've got some time to sort that out and then there is also always your mom!
Sent to 18034141483 at: 2016-08-24 14:21:28 And 9 months is forever. Plenty of time to save.
Sent to 18034141483 at: 2016-08-24 14:22:48 I am just beyond excited for all the stuff ahead! It's gonna be an adventure!!

Sent to 15165109490 at: 2016-08-26 19:39:49 No I agree. I'm just saying you could have said I got offer and I am sending in my acceptance today
Received from 15165109490 at: 2016-08-26 19:40:16 Gives yourself wiggle room to negotiate. You never can know how people are going to react. Always best to have leverage

If the numbers have plateaued or dropped then something is likely wrong and i will likely

miscarry soon. And hopefully i make it thru tonight with no bleeding but we shall see

Sent to 85263373608 at: 2016-09-05 14:44:28 Yeaaaaaa I haven't talked to him in years so feel a smidge awk about it. But I think I need to
Sent to 85263373608 at: 2016-09-05 14:47:37 I hear you. But really what do you have to lose
Received from 85263373608 at: 2016-09-05 14:48:16 I'm sure you can get a clerkship regardless. You have a full year to line one up.
Received from 85263373608 at: 2016-09-05 14:48:41 Or you could transfer to a Seattle firm
Sent to 85263373608 at: 2016-09-05 14:51:06 Yeah I'm feeling desperate so I prob won't survive a whole year
Sent to 85263373608 at: 2016-09-05 14:51:23 Seattle firms just don't really appeal to me right now
Received from 85263373608 at: 2016-09-05 14:51:30 Feel like it would be similar and way less pay
Sent to 85263373608 at: 2016-09-05 14:52:13 I mean clerk ships are even less pay though
Sent to 85263373608 at: 2016-09-05 14:52:27 And why are you so desperate all of a sudden??
Sent to 85263373608 at: 2016-09-05 14:52:51 Yeah but at least it might help with whatever is next. And I wouldn't mind stretching my brain a little
Received from 85263373608 at: 2016-09-05 14:53:34 Right right
Received from 85263373608 at: 2016-09-05 14:53:48 I've been desperate but today was just extra annoying. Feel like the partner just constantly kneecaps his associates (and me today) just so he can stay in control? Even tho he's a freakin partner and should chill out.
Received from 85263373608 at: 2016-09-05 14:54:05 He's like an annoying ambitious senior associate asshole
Sent to 18032602956 at: 2016-09-05 14:54:22 I just drink straight from the bottle now
Sent to 85263373608 at: 2016-09-05 15:03:40 What happened??
Received from Data Missing at: 2016-09-05 15:03:55 🙈😂😘
Sent to 85263373608 at: 2016-09-05 15:05:24 Nothing in particular. Just I've been the main / solo point of contact for one client, managed out of the London office. When new work came in to HK, the partner gave it to someone else. And it def should have come to me and he knows it. And the client prob asked for me too. But anyways I was building my non Chinese work since I got here and he just kneecapped that effort in one go.
Received from 85263373608 at: 2016-09-05 15:05:44 So ultimately feels like the partner will never look out for me, help me grow, etc.
Received from 85263373608 at: 2016-09-05 15:06:00 And I know he was trying to steal that work away from me too cuz he tried it before
Received from 85263373608 at: 2016-09-05 15:06:04 That really sucks
Sent to 85263373608 at: 2016-09-05 15:06:14 Why??? That's so weird
Sent to 85263373608 at: 2016-09-05 15:06:15 It's not like I get partner fees on this shit. He still does so what the eff
Received from 85263373608 at: 2016-09-05 15:06:28 Cuz he's a loser who doesn't know how to be a partner?

Received from 85263373608 at: 2016-09-05 15:07:04 Clearly
Received from 85263373608 at: 2016-09-05 15:07:34 But if you get a clerkship, what about your hubby?
Sent to 85263373608 at: 2016-09-05 15:07:36 Ionno. No one likes him and this sort of feels like the last straw. Like he so clearly gives zero shits about me
Sent to 85263373608 at: 2016-09-05 15:08:05 Oh we'd both try to move and then he'd just have to commute to China like once a month for a couple weeks at a time?
Received from 85263373608 at: 2016-09-05 15:08:14 Not ideal but he knows HK is driving me bonkers
Received from 85263373608 at: 2016-09-05 15:08:26 Right right
Sent to 85263373608 at: 2016-09-05 15:08:36 When could he settle elsewhere
Sent to 85263373608 at: 2016-09-05 15:08:52 He'd prob want at least another year here
Received from 85263373608 at: 2016-09-05 15:09:01 But I don't think I can do it mentally
Received from 85263373608 at: 2016-09-05 15:09:11 I'm sorry

Sent to 19142603729 at: 2016-09-07 15:22:55 Or should we wait to go with friends?
Received from 17178086846 at: 2016-09-07 15:23:06 Okay sounds good!
Sent to 19142603729 at: 2016-09-07 15:27:36 What if we still do Nantucket and you can work from there??
Sent to 19142603729 at: 2016-09-07 15:27:40 I haven't really had a chance to explore it. One on hand, this is probably a good time to go, but on the other hand, Im afraid I'll be swamped and it'll be hard to fully take off. I have been trying to find the right time to talk to Cameron about it but it's been difficult cause of his vacation and now surgery.
Received from 19142603729 at: 2016-09-07 15:28:00 Thats an option.
Sent to 19142603729 at: 2016-09-07 15:28:15 Like immediately after Pat's wedding?
Sent to 19142603729 at: 2016-09-07 15:28:16 We could get a cute dog friendly house and drive there from the Hamptons
Sent to 19142603729 at: 2016-09-07 15:28:51 You could work as much as you need to and I could relax and play w the pups
Sent to 19142603729 at: 2016-09-07 15:29:00 That would be easier than Napa. If you're okay with me having to work a few hours a day, then I think I can swing that.
Received from 19142603729 at: 2016-09-07 15:29:51 That idea gives me much less stress. I do want you to get some relaxation away from home before you start
Received from 19142603729 at: 2016-09-07 15:30:04 You deserve it
Received from 19142603729 at: 2016-09-07 15:30:46 I can look around tonight after work while you're at dinner.
